STUDENT HANDBOOK

Though this Back to School guide contains pertinent information you may need before school starts, some sections only contain short summaries of more detailed information you will find in the Student Handbook. The handbook is your primary source of information regarding guidelines and policies for students, parents, and guardians. It also contains helpful information on various school activities, student conduct, what it means to live in community, and other aspects of our school.

Thank you for taking the time to review the Student Handbook. Please note that it includes new updates for the 2026-2027 school year. For your convenience, where applicable, this guide links to the corresponding sections in the handbook.

All families are invited to join us on Friday, September 11, from 5:00 - 7:30 pm at the Elementary Campus (8888 162 Street) for a fun-filled evening celebrating the new school year. Meet the staff, play games, have some dinner, and enjoy the festivities with your family and friends, all at **no charge**!

Please consider utilizing our free shuttle from the Secondary Campus (15353 92 Avenue) as parking will be limited.

***Please note** that the location of the BBQ at the Elementary Campus is weather-dependent. In the event of rain, we may change the location to the Secondary Campus and notify parents on our Instagram page.

Late Start Fridays

School starts at 9:15 am every Friday for all grades. School buses typically run 30 minutes later than usual on Friday mornings. Please connect with your bus driver for specifics.

Communication from School

The primary method of communication to parents from teachers, administrators and the office is **email**. In addition, on occasion, you may receive a **text message** about a school closure or important reminder. **Seesaw** is one of the tools that Kindergarten – Grade 7 teachers use to communicate your child's learning to you. It is also one of the primary ways that Kindergarten – Grade 3 teachers communicate with families. Throughout the school year, your child will share schoolwork and reflections that showcase their learning on this app. Your child's teacher may

also use this platform to share photos and send messages to families. Please be sure to accept the invite to Seesaw from your child's teacher.

IMPORTANT: All parents and students should add the following email address as a "safe sender" to ensure you receive all school-related messages and that they do not go into your junk mail: noreply@myschoolmanagement.com**.**

Communicating With Your Child's Teachers

If you wish to contact your child's teacher via email, use the first initial of the teacher's first name and then type the last name with the extension @surreychristian.com. For example, Jane Smith = jsmith@surreychristian.com.

SCHOOL/SHUTTLE BUS **REGISTRATION FORM**

SCHOOL/SHUTTLE BUS **CANCELLATION/CHANGE FORM**

CCSTA (Combined Christian School Transportation Association) will contact families with the pick-up time and place before the first day of school. If you have not heard anything by August 30, contact CCSTA at ccsta2015@gmail.com.

For those who are new to the bus system, please be aware that it often takes a few days for the routes to fall into a rhythm. You may choose to make alternate arrangements for the first day or two of class just in case.

Visit the transportation page on our website to download our FAQ document, information and guidelines, and before and after school bus transportation policy documents.

Deadline to Cancel School Bus Registration

Please note that if you registered to ride the bus and your circumstances change, you have until September 30 to inform our finance department at accounting@surreychristian.com without incurring a penalty. After that date, you will be required to pay the monthly bus fee

School Closure

In the rare event that school is to be closed because of unsafe weather conditions or a power outage, please check your text messages, email, the school website or social media.

*Note: It is not advised to Google "snow day Surrey Christian School" as that may bring up outdated and inaccurate posts from previous years.

Medication and Medical Alerts

If your child requires medication to be administered during the school day, please complete a Medical Condition/Medication Authorization Form. If your child has a life-threatening allergy that requires an Epi-pen, please complete an Anaphylaxis-Emergency Plan. If your child is at risk of having seizures, please complete the Seizure Action Plan.

MySchool Management

Every Grade 8-12 student and every parent of K-12 children needs to have an active MySchool account. Most announcements from teachers or the office will be emailed home via MySchool, and learning reports are posted to MySchool each term. At the Grade 8-12 level, teachers use MySchool to post homework assignments, grades, permission slips, etc.

If you require new login information, please contact myschool@surreychristian.com. Watch our how-to video for parents to learn how to navigate the program. Watch our how-to video for students with instructions on navigating the program.

We will email parents and students when the timetables are ready for viewing in late August. We aim to provide new students at the Grade 8-12 level with their MySchool login information before the New Student Orientation session scheduled for September 2. Students can also view their timetables using their parents' MySchool account.

Privacy and Security Policy

Surrey Christian School is committed to safeguarding the personal information of parents and students, ensuring it is used securely and appropriately. Please see the Student Handbook for more information on this policy as well as a list of approved apps and programs used at the school.

Volunteer Hours

Parents/Guardians are encouraged to volunteer around 10 hours per family throughout the year. Your contribution will be a meaningful way to connect with your child's learning, meet other families, and model the joy of service while adding valuable support to the school. We recognize that it may be difficult for some to volunteer during school hours, but there are many opportunities that can be done at home, such as baking for events, washing tablecloths, or helping out at evening gatherings, to name a few. Your time and presence make a difference in creating a vibrant and supportive environment for all.

Please take a moment to complete the Volunteer Form, so we have a record of whom to contact for specific needs.

Parent Drivers: We appreciate parents who volunteer to drive Grade 8-12 students to a sporting event or fieldwork. If you think you might do so, please take a moment to complete a Driver Form. At the Kindergarten to Grade 3 level, students are transported only using a school bus. At the Grade 4-12 level, students will be transported by school bus as much as possible.

Society Membership

The school board encourages parents who are active participants in a Christian church to be members of the Surrey Christian School Society. Membership is required to vote at our fall Annual General Meeting and at our Spring Meeting. Apply here for membership in the Society. Your application will go to the school board to review for approval. Membership fees are paid on a five-year renewal basis.

Physical & Health Education Wear

At SCS, we emphasize the importance of having relevant equipment/clothing for the task at hand. Therefore, for Physical & Health Education (P.H.E.), we desire students to wear adequate footwear and athletic clothing to meet safety, comfort and personal hygiene needs. Below are the guidelines for specific grade levels.

Kindergarten to Grade 3
Students in the primary grades do not get changed for P.H.E. and participate in their daily clothing. On days when your child has P.H.E., please ensure they are dressed appropriately for indoor or outdoor physical activities, including wearing running shoes. Crocs, sandals, and slip-on shoes should be avoided.

Grades 4 to 7
Before Physical & Health Education (P.H.E.) classes, we strongly recommend students change into:

- An SCS Falcons t-shirt or other athletic top.
- SCS Falcons shorts/sweatpants or appropriate athletic shorts, sweatpants or leggings.
- Appropriate footwear such as running shoes or indoor court shoes. Please have your child bring shoes that are not boots, Crocs, slip-ons, or sandals.
- It is highly recommended that students have an appropriate pair of outdoor athletic shoes as well as an appropriate pair of indoor athletic shoes that will not leave marks on our gym floor.

Grades 8 to 12
Before Physical & Health Education (P.H.E.) classes, we strongly recommend students change into:

- A SCS Falcons t-shirt or another athletic top.
- SCS Falcons shorts/sweatpants or other appropriate athletic bottoms.
- Appropriate footwear such as running shoes or sneakers, not boots or slip-ons.

Optional school-branded t-shirts and shorts are available for purchase on our website under “Shop”. Please ensure that the student’s spirit wear is clearly marked with his or her name. Fleece pants and hoodies are available and may be worn to P.H.E. classes. Order here.

Falcons Athletics

There are many opportunities for students to be involved in extracurricular athletics at both the secondary and elementary campuses. The extra-curricular athletic program provides learning experiences in a safe environment for all our students involved. We are excited to have the support of caring staff and volunteers who are committed to teaching student-athletes our core values of respect, commitment, encouragement, gratitude, and growth.

Athletic fees are applicable for teams at the secondary level. These fees are used primarily to offer the coach volunteers a stipend. An email will be sent to you requesting payment after your child has made a commitment and been selected to be on a team. This is where you will also sign off on the “Assumption of Risk” form acknowledging the risks associated with that sport.

Please see the Student Handbook for a schedule of sports offered throughout the school year. (Elementary Campus Athletics, Secondary Campus Athletics)

KINDERGARTEN SPECIFIC

What to bring

For the **gradual entry period**, please send your child with a backpack that contains a snack, water bottle, and a change of clothes.

On the **first full day of school** (September 21), we would like each Kindergarten child to bring the following items to school:

- Indoor shoes that stay at school. Please find shoes that are easy for your child to put on (i.e. velcro). These should be appropriate for the gym.
- Drawstring bag with a complete extra set of clothing, including socks and underwear. **Please label** the bag and each item.
- Backpack for papers and books. It should be large enough to fit a 9x12 folder.
- Earthquake Kit: Please follow the instructions in the Comfort Kit section.

- Copy of your child's immunization record once your child has completed their Kindergarten booster shot.

  It is very important that you label everything with your child's name. If you have any questions, please contact the school office or speak to your child's teacher in early September.

Your child will be asked to wait by the office until you arrive.

Extended Absence Policy (NEW for 2026-27)

Whilst we encourage all students to be present at school as much as possible, we understand that sometimes life circumstances, illness, family vacations, and travel can impact a child's attendance.

In the case of an extended planned absence, we request that families, wherever possible, notify the classroom teacher and the office at least 2 weeks in advance. Extended planned absences will require parents to take responsibility for any work missed – consulting with the classroom teacher on how to do this effectively will be important. Parents may also wish to consider private tutoring when appropriate to help bridge any learning gap.

In the event of an extended illness-related absence, we will work on a case-by-case basis to provide the best possible support.

Please note that extended absences have the potential to impact a child's learning report. Curriculum areas where evidence cannot be gathered may have to be marked as incomplete until a time when specific curricular competencies can be accurately assessed.

Wheels

We love that children bike, rollerblade, scooter and skateboard to school. Please remind your children that for the safety of other students, they are not permitted to ride them while at school and that it is important to wear a helmet.

Toys

While we love the excitement that comes with students sharing their toys at school with their classmates, please keep personal toys at home. This helps ensure we keep them safe and clean and that they do not get misplaced throughout the day. This includes stuffed animals, Pokémon cards, Beyblades, etc. In some cases, a teacher/education assistant may request the bringing of an item for a specific event or student goal.

Label Your Child's Clothing

We can't stress enough the value of labelling your child's clothing. Every year the Lost & Found overflows with beautiful jackets, hoodies, and sweaters. Because they are not labelled or claimed, they end up at the thrift store. If you label your child's clothing and it gets misplaced, it will be returned to them.

Extra Set of Clothing

Students in Grades K-3 are required to have a complete extra set of clothing, including socks and underwear, in a separate bag. Please label the bag and each item with your child's name.

Dress for the Weather

Students go outside for lunch and recess, rain or shine. Please ensure your child comes to school dressed appropriately when rain or cold temperatures are in the forecast.

School Supplies

School supplies are provided by the school. Please note the following:

- Personal Devices: Grade 7 students are required to have a personal device, such as a laptop. (Please see Personal Device for detailed information on specifications.)
- Binders may be requested by the classroom teacher for Grade 4-7 students.
- Earthquake kits are required for all students. Please see the Comfort Kit section for more information.
- Students are to have both indoor and outdoor shoes. Indoor shoes should be non-scuff and suitable for PE activities. Flip flops, high-heeled runners and thin slip-on runners are not suitable for indoor or outdoor activities. Skates, skateboards or shoes with wheels are not allowed.

Earthquake Comfort Kits

Please prepare an earthquake comfort kit for your Grade K-7 child to provide them with some of the resources that they will need to stay comfortable should an earthquake or other disaster occur while at school.

Making the Comfort Kit:

- Please use a medium-sized Ziploc bag.
- Include a sealed bottle of water.
- Food items should be high-energy, ready-to-eat, and non-perishable. Consider nut-free granola bars, dried fruit or fruit leather. Comfort foods, such as a few hard candies or cookies, are also appropriate.
- Include a 12-hour light stick if possible.
- You may also include a short note to your child and a family picture.

Be sure that all items can fit into the Ziploc bag and return it to your child's teacher by **Friday, September 18, 2026**. All bags will be placed in plastic bins. The kits will be returned to the students at the end of the school year.

Recorders for Grade 3

Please look for an email that will be sent to Grade 3 parents/guardians from Ms. Locken late August regarding details for recorder requirements.

Modern Band Instruments for Grades 4-7

Students in Grades 5–7 should bring their ukulele, bucket, drumsticks, and tuner to school during the first week of classes.

With our new music classroom, Surrey Christian School can now provide a class set of ukuleles, buckets, and drumsticks for Grade 4 students and students who are new to the school. Families in these grades do not need to purchase these instruments.

Attendance Policy

We believe that a vibrant classroom community helps us achieve our vision of becoming *fully alive in God's story*, and regular attendance is an integral part of achieving that vision.
We value the presence of all our students and recognize that being fully present with each other in our learning spaces is an important aspect of *educating for wholeness*.

We understand that the learning that takes place in person cannot be replicated in any other way and that our BC curriculum emphasizes experiential, hands-on learning. Therefore, absences for any reason negatively impact the educational experience for all students, and it is our hope that students are present in class as much as possible.

Please see the Student Handbook and watch this video for the Secondary Campus attendance policy.

School Supplies

The following general school supplies are required:

- Personal device (see details below)
- Binders and loose-leaf paper of your choice
- Pens and pencils
- Scientific calculator (your child may wish to speak with the math teacher before purchasing one)
- Your own lock should you choose a locker

Personal Device

As part of our learning program at Surrey Christian School, all students in grades 7–12 are required to bring a personal device (laptop) for classroom use. Please note that all students can seek assistance from the SCS IT Department to acquire or retrieve access to SCS systems, installation of Microsoft 365 apps and other school-required apps on their personal devices and wi-fi/internet access and troubleshooting. SCS IT is not an authorized repair centre and provides minimal technical support to students' personal devices.

Here are our recommended minimum specifications for student devices:

- **Age**: 3 years old or newer
- **Operating System**: Windows or macOS
  (Note: ChromeOS and iPadOS are acceptable for most use cases but may be limited in higher grades where full desktop Office applications are needed.)
- **RAM**: 8GB or more
- **Storage**: 256GB or more
- **Battery Life**: At least 5 hours
