Dear, Surrey Christian School Supporter

We are Surrey Christian School. **We are One Mission, One Vision, One Community.**

Since the doors of Surrey Christian School opened, we have built an amazing legacy of service and community. Over the years we have come together around our mission of educating for wholeness by inviting our students into God's story and ensuring they flourish as they discover what it means to follow Jesus.

We are grateful for the growth that we have seen in recent years at all of our campuses. At our Fleetwood Campus in particular, this growth has limited us in what we can do to enhance student learning and safety. With overcrowded hallways, an over-booked gymnasium, not enough classroom space and an unsafe parking lot, it is abundantly clear that we need to build.

Before I talk about our hopes for the **PLACES SPACES** Capital Campaign, I would like to take a moment and say thank you to you, our generous donors. I am deeply grateful for how our community has supported our past campaigns and are once again coming together and supporting our **PLACES SPACES** Capital Campaign. If you were to walk around each campus, you would witness our students enjoying their new outdoor play and gathering spaces, new furniture in classrooms and learning commons spaces, a new foods lab, 3D printers, netbooks, a school bus and the primary building at the Fleetwood Campus. Without you none of these things would be possible.

Our hope for the **PLACES SPACES** Capital Campaign is to create new places to learn and spaces to park by building:

- ☐ Additional classroom space
- ☐ A multi-purpose space
- ☐ Student and staff washrooms

SCS Capital Campaign

- ☐ Administration offices & staff room
- ☐ Increased number of parking spaces
- ☐ Safe and efficient bus loop
- ☐ Safer and enhanced pick up & drop off zones
- ☐ Traffic loop with separate entrance and exit

Can you imagine our students benefiting from the use of their new learning and creative places? Can you imagine the relief you will feel when dropping off your children knowing they are safer with the new parking and bus spaces? Then I encourage you to prayerfully consider contributing to our **PLACES SPACES** Capital Campaign. I understand that each family has a different capacity to participate in this campaign, but I believe each of us is able to participate with even a small amount over the next three years.

The goal of our **PLACES SPACES** Capital Campaign is to raise \$3,000,000 over the next three years.

Our **PLACES SPACES** Capital Campaign is based on this scripture verse: "Our generation shall praise Your works to another and shall declare Your mighty acts." *Psalm 145:4. New King James Version.*

Thank you for your continued support of Surrey Christian School,

Dave Loewen
Superintendent
