6. _____

7. _____

8. _____

In case there is a course conflict please list an alternative choice below.

9. _____

Learning Assistance

The Learning Assistance program is designed to help students who struggle in the regular classroom. It fills one block in the student's 8 block schedule, replacing one of the other courses (usually an elective). If the student has special learning needs or requires educational support, a Learning Assistance Registration Form must be requested from the school office, completed and returned to the Learning Assistance Department at the school for follow up. Space in the program is limited.
