## ARRIVAL AND PICK UP

- Parents or assigned substitute must bring in and pick up their child from the Out of School Care room and must make contact with the supervisor upon entry. Parents must sign their child in upon arriving and out upon pick up.
- Children will only be allowed to leave the facility with parents, guardians or persons specified on the registration form or a person who has written or verbal permission from a parent. The supervisor will assist in making alternate arrangements if a parent/guardian appears "unable" to safely deliver their child home. In the event that there is a concern for the safety of the child due to the adult's ability to drive safely, the police will be notified.
- If the parent does not arrive to pick up the child, the supervisor will:
  - Contact both parents work and home numbers and, if needed, all emergency contacts.
  - Keep trying for two hours at which time Ministry of Children and Family (MCF) will be contacted.
- If an unauthorized person attempts to pick up the child, the supervisor will:
  - Ask the person to remain outside the classroom until the parent is contacted for consent.
  - Check the person's ID before allowing the child to be released.
- If the unauthorized person becomes confrontational to the supervisor's request, the supervisor will:
  - Notify the manager and ask him/her to talk with the person.
  - Attend to the children in her care including the child in question.
- If the unauthorized person forcefully removes the child, the principal will write down the license plate number of the vehicle in question and call the police and MCF.

## ATTENDANCE

- There are no refunds or fee reductions for statutory holidays, school closures,

professional days, sick days, or for family holidays which may be taken throughout the year.

- For school closures due to bad weather or emergencies, please check the school website and social media. We will also send an email and text message. We aim to make a school closure announcement by 6:30 am.

## **PARENTAL ACCESS**

- A notice will be posted on the classroom door if the group is in the playground or gym.
- The program must have all copies of custody agreements, restraining orders or court orders denying a parent access.
- If a parent informs the school that the other parent no longer has access to the child, the written documents must be submitted before access is denied.
- If a prohibited parent arrives to pick up the child or visit, the police will be notified immediately and asked to intervene. The other parent will be contacted and asked to pick up his/her child.

## **LATE FEES**

Parents are required to pick up their children promptly. More than one late occurrence (5 or more minutes) will result in a late fee charge of \$10 for the first 10 minutes and \$1 per minute thereafter. This fee must be paid before the child returns to the program. Chronic late pick-ups will result in termination of the child's enrollment in the program.

## **HEALTH AND ILLNESS**

Our program is committed to provide a safe and healthy place for each child. A child with a communicable disease must be kept at home. This includes fever, cold, vomiting, diarrhea, rash, congested cough, pink eye, etc. Please carefully note the following:

- Children must be kept home if not able to participate in outdoor play due to illness.
- If a child has been exposed to any contagious disease (ex. chickenpox, mumps, measles, hand/foot/mouth etc. or a parasite like lice) the supervisor must be notified.
- Children must be fever free and have stopped vomiting/diarrhea for a minimum 24-hour period before returning to the program.
- If your child becomes ill during our program:
  - A parent or emergency number will be contacted, and child will remain under observation and kept comfortable.
  - If no contact person can be reached, the child will remain under observation and kept comfortable until parents arrive.

Information about your child needs to be kept up to date at all times. Please inform the supervisor of any changes of information such as immunization records, change of address/phone number/email, changes in custody or authorized pick-up persons etc. We will transfer all the information you provide into your child's file.

## ALLERGIES

If your child is allergic to various substances, this needs to be brought to the attention of the supervisor. If your child requires special treatment in case of a reaction (i.e. EpiPen) you will be required to fill out a form, write a care plan and include any EpiPen/medication which will be kept well out of reach of children. If an EpiPen is required, a child will not be permitted to attend the program without their EpiPen.

## MEDICATIONS

The centre keeps basic first aid supplies on site. No medication will be administered by any staff member, prescription or over-the-counter, unless a "Permission to Give Medication" form has been completed. Medication will be kept out of reach of all children. Verbal consent will not be accepted. Children taking prescription medication orally may only return 24 hours **after** the start of the medication.

## IMMUNIZATION

All children who attend our centre are recommended to have completed all the standard course of immunizations. According to Fraser Health regulations, each child is required to have their immunization status on file at the centre. Please submit a photocopy of your child's immunization schedule and/or a completed immunization status form. If you have chosen not to immunize your child, please indicate on the registration status form.

## GUIDING AND CARING

Caregivers who are committed to nurturing and guiding young children create an atmosphere which fosters trust, security and comfort. We commit to using the following techniques to promote a calm, safe environment:

- **ACT Model**: Acknowledge the feeling, Communicate the limit, Target the alternatives.
- **Redirection**: Guiding the child into an acceptable activity when they are engaged in an unacceptable activity.
- **Choices**: Appropriate choices are given, and children are encouraged to choose for themselves.
- **Logical and natural consequences**: Children will be made aware of the results of their action.

There are also some harmful actions that are not permitted and will not be tolerated in the program:

- Shoving, hitting or shaking by a teacher or another child, or confinement or physical restraint by another child.

- Confinement or physical restraint by a teacher, except as authorized in a child’s care plan if the care plan includes instructions respecting behavioural guidance.
- Harsh, belittling or degrading treatment by a teacher or another child, whether verbal, emotional or physical, that could humiliate the child or undermine the child’s self-respect.
- Spanking or any other form of corporal punishment.
- Separation, without supervision by a responsible adult, from other children.
- As a form of punishment, deprivation of meals, snacks, rest or necessary use of a toilet.

## **PARENT COMMUNICATION**

- Throughout the year you will receive emails with reminders and information about the program.
- A communication book will be kept by the supervisors. The supervisor will record any pickup/drop off changes, days your child will be away, minor injuries, or any other info you would like the supervisor to know about.
- Be sure to make the supervisor aware of any events or problems that may affect your child’s behaviour, whether it be his/her health or just a matter of “getting up on the wrong side of the bed”.

## **CONFLICT RESOLUTION**

When a parent has a concern, grievance, or complaint it must first be directed to the supervisor or parent involved in a manner of open dialogue with the intention of resolving the problem. If healing does not occur due to tension, lack of communication etc., the director and manager shall be notified, and both parties shall meet with the director and manager in an effort to restore a healthy situation. If a satisfactory resolution is still not reached, the concern should be brought to the principal.

## **REPORTABLE INCIDENT POLICY**

We hope and pray that all children attending our centre are growing up in a secure and loving environment. However, should a situation arise in which a staff member has reasonable grounds to believe that a child is abused or neglected, that staff member is morally and legally obligated to file a report immediately with Child Protection Services. We will maintain a daily log (bound book) which will include a description of any applicable reportable incident that may occur in our program. If you should suspect abuse in the center then you are required by law to report it to the Fraser Health Authority (604-587-3936/weekdays, 604-527-4806/weeknights and weekends) within 24 hrs. If there is a case of abuse within the center, it will also be recorded and reported to Fraser Health Authority.

## **FIRE DRILLS/EVACUATION**

Fire and evacuation drills are posted in the centre and practiced monthly. Earthquake drills will be practiced once per year. All staff, volunteers and other adults will be familiar with fire drill procedures.

## **EARTHQUAKE KITS**

We will provide each child with an earthquake kit. It will contain the following:

- A nut free granola bar and rice crackers, juice box, dried fruit.
- Various activities to keep children busy (books, coloring, small toys etc.).

You are invited to add a family picture and a note. If your child has any allergies to the above items please provide your own kit, enclose in a Ziploc bag, and give to the supervisor.

## **DISASTER PLANNING**

In the event of a major emergency:

- If we are unable to return to our building, we will go to our area of refuge at the corner of the school property. We will contact you regarding our circumstances and pick up procedures.
  - No child will be dismissed from the center unless a parent or caregiver or other previously designated adult comes for him/her.
  - No child will be released from the center with another person, even a relative or babysitter, unless the center has written permission to do so. With this in mind, please ensure that you have provided us with an up-to-date contact list.
  - All parents, caregivers or designated parties who come for the child must sign for their release.
  - Parents and alternate caregivers may not pick up child until all students and staff are accounted for and the supervisor approves the release of students.
  - Please do not call the school. We must have all the lines open for emergency calls.
  - Help us protect your child during a disaster, please be patient with the student release procedure.
