GENERAL INFORMATION

Welcome to Surrey Christian School. Our mission statement is “Educating for wholeness by engaging God’s world in the servant way of Jesus.” We strive to ensure that everything we do in some way moves us toward fulfilling that mission statement. Attached to our school’s bylaws is a document called [Our World Belongs to God](#) which summarizes our faith and worldview.

This handbook is a collection of practices and policies that have been developed to enable the school to run efficiently and effectively in pursuing our mission statement. The school reserves the right to make changes as we learn and become aware of better ways to pursue our mission. Major changes will be communicated to parents. We hope you find it clear, helpful and consistent with whom we desire to be and become as a school community.

School Phone Number

The campus offices are open from 8:00 am until 4:00 pm.
Phone: 604-498-3233

Bell Schedule

	START TIME	END TIME
Fleetwood Campus		
Doors open	8:35 am (9:05 on Friday)	
Morning session 1	8:45 am (9:15 on Friday)	10:45 am
Recess	10:45 am	11:03 am
Morning session 2	11:03 am	12:35 pm
Lunch (4-7)	12:35 pm	1:03 pm
Lunch (K-3)	12:45 pm	1:17 pm
Afternoon session		2:50 pm

Afternoon session (Gr.3-7)	1:15 pm	2:50 pm
Secondary Campus (Monday and Thursday)		
Period 1	8:35 am	9:55 am
Crew	10:00 am	10:25 am
Period 2	10:30 am	11:45 am
Lunch	11:45 am	12:20 pm
Period 3	12:25 pm	1:40 pm
Period 4	1:45 pm	2:57 pm

Secondary Campus (Tuesday and Wednesday)

Period 1	8:35 am	11:25 am
Lunch	11:25 am	12:00 pm
Period 2	12:05 pm	2:57 pm

Secondary Campus (Friday)

Period 1	9:15 am	10:20 am
Chapel	10:25 am	11:05 am
Period 2	11:10 am	12:10 pm
Lunch	12:10 pm	12:45 pm
Period 3	12:50 pm	1:50 pm
Period 4	1:55 pm	2:57 pm

Absenteeism/Late Arrivals

The school requests that parents and guardians inform the office of all school-day appointments (i.e. dentist, doctor) by phone or email at absent@surreychristian.com before 9:00 am on the day of the absence, stating the reason for the absence. If the student needs to be picked up during the school day, please inform the office before 2:00 pm, and he/she must be signed out at the campus office.

School Closure

In the rare event that school is to be closed because of unsafe weather conditions or a power outage, please check your **text messages**, **email**, the school **website** or **social media**. The administration aims to make the decision by 6:30 am.

*Note: It is not advised to Google “snow day Surrey Christian School” as that may bring up outdated and inaccurate posts from previous years.

Visitors/Volunteers

Anyone visiting the school must receive permission and must also sign in at the office on the day of the visit. Visitors and volunteers must wear a “Visitors” tag for identification.

Telephones

Upon receiving permission students may use the phone provided by the school office.

Learning Commons

Our campus Learning Commons (formerly known as libraries) are open to all students and exist to provide quality literature and resources. Please see campus-specific section for hours of operation and specific information for each library.

Literature Review Policy

The collection of literature in the school learning commons is under constant review. Books and/or instructional material may be reconsidered through the following procedures:

- 1) If a book or item in the collection warrants review, a request will be placed with the librarian. If the librarian’s explanation for the book’s inclusion in the collection is unable to clear up the problem, the complainant may request a book review by providing the following information:

General Information

- a) Author
- b) Title
- c) Publisher (if known)
- d) Name and contact information of person making request for review
- e) Answers to the following questions:
 - i) To what in the book do you object? Be specific, cite pages.
 - ii) What negative impact on students do you feel would result in them reading this book?
 - iii) Is there anything good about this book?
 - iv) Did you read the whole book?
 - v) What do you believe this book communicates?
 - vi) What book of equal quality and content would you recommend to replace it?
- 2) The principal will set up a reconsideration committee consisting of the librarian, a staff member, and a parent.
- 3) The reconsideration committee will proceed with their re-evaluation of the material using the following guidelines:
 - a) Consider the challenged material in context of its place in the curriculum.
 - b) Examine the material as a whole.
 - c) Read written reviews on the book to determine the professional acceptance of the material.
 - d) Discuss the challenged material with the individual bringing forth the complaint.
- 4) While the book is being reconsidered it will remain on the shelf.
- 5) Material will not be reconsidered within five years of a previous challenge and procedure.
- 6) The procedure for reconsideration of materials is applicable to all individuals.

Extra-Curricular Activities

Students are encouraged to get involved in a variety of non-academic activities. Sports, music, drama and service projects are all important experiences for students. Please refer to your campus-specific section for further information.

Medical Attention

Students who feel ill while at school should report to their teacher. A staff member will contact parents should they need to be sent home or to the hospital. Accidents and emergencies are referred to the office and first aid personnel.

If your child requires medication during the school day (to be administered by a staff member or self-administered), please complete a [Medical Condition/Medication Authorization Form](#). If your child has a life-threatening allergy that requires an Epi-pen, please complete an [Anaphylaxis-Emergency Plan](#).

Dress Code

Dress should be appropriate for the school activities. If a student is wearing clothing judged to be offensive or inappropriate, s/he will be asked to find something else to wear for the day. Please see your campus-specific section for further details.

Spirit Wear

Optional school branded t-shirts and shorts are available for purchase on our website under "Shop". Please ensure that the student's spirit wear is clearly marked with his or her name. [Order here](#).

General Information

Lost and Found

It is recommended to mark all personal items such as coats, hats, mittens, runners, backpacks, and lunch bags. When found, lost items will be placed in the "lost and found" box. Unclaimed items will be given to charity during Christmas break, spring break and at the end of the year.

Tuition Policy

The purpose of our tuition policy is to define fair policies and guidelines to which the administration can adhere while managing the finances of the society. These policies are firm and only written appeals to the Director of Finance will be considered for exception.

Tuition Collection

- 1) New families shall pay a non-refundable deposit of 10% of the annual fee upon acceptance which will be applied to the first month's tuition.
- 2) In order to receive a 1.5% discount, tuition shall be paid in full by August 1.
- 3) Monthly tuition payments must be made by pre-authorized debit. A signed pre-authorized payment form must be provided along with the banking information.
- 4) 10-12 equal monthly payments will be processed through pre-authorized debit on the 1st of the month. In event that the pre-authorized debit is rejected by the family's financial institution, a \$50 returned-item fee will be charged.
- 5) For those parents wishing to pay in twelve equal payments, the first payment of the twelve-month cycle will be due July 1 and the final on June 1.
- 6) For those parents wishing to pay in ten equal payments, the first payment of the ten-month cycle will be due August 1 and the final on May 1.
- 7) Written notice that a child will not re-enroll for the following school year must be received by February 15 of the current school year. If notice is received after February 15 parents will be charged the equivalent of 10% of next school year's annual tuition.
- 8) During the school year one-month notice is required for withdrawal, or parents must pay 10% of their annual tuition in lieu of notice. Notice is effective one month following month end.
- 9) In the event that a student is expelled from school due to disciplinary action, parents who paid their tuition in full will be reimbursed the portion of tuition for the remainder of the school year. If parents pay monthly, they will not be debited any further tuition fees from their bank account.
- 10) Families that are in financial distress due to illness, job loss etc. needing interim arrangements are encouraged to contact the finance office at accounting@surreychristian.com.

Tuition Fees

- 1) Families who have children attending another K-12 Christian school where they are paying tuition will receive a 20% discount on the tuition fees for Surrey Christian School.
- 2) Students enrolled in five or more courses are considered full-time for tuition purposes.

Tuition Arrears

- 1) Accounts 30 days in arrears will be contacted.
- 2) Accounts 90 days in arrears may result in the loss of the privilege of attending Surrey Christian School and an interest rate of prime plus 5% will be levied on the balance of tuition arrears.
- 3) Whenever any portion of the previous year's tuition remains unpaid, a family cannot be enrolled in the new school year until payment in full is made on past due amounts. Notice of non re-enrolment will be given as early as possible prior to the end of the current school year to give parents adequate time to make either make full payment or alternative school arrangements.

General Information

Partial Refunds

- 1) There are no partial tuition refunds for situations where a student is not in class due to, but not limited to, the following: snow days, inability to join a school trip, family holiday during school days, power outage, student illness, stat holidays, ProD days etc.

Learning Support Services

Surrey Christian School's Learning Support Services is committed to empowering students to reach their potential as unique learners who bear the image of Christ. Through purposeful inclusion we encourage students to develop their gifts, become self-advocates, and gain independence as valued members of their communities.

We believe that each child is unique and created by God in His image. Together with parents we as educators are called to nurture children toward the full life that God had in mind for all people from the very beginning. We see that life most fully realized in the life of Jesus. We want children to follow in His footsteps, learning to live and serve the way that Christ did. That process of following begins when the child is born.

Our school believes that when we partner with parents in this process, together we can teach our students that they are scholars, athletes, artists, caretakers of the creation and servant leaders in this beautiful but broken world. God calls us to be his hands and feet in the world, bringing it back to its original created intention. We want children to be fully alive in God's story.

Surrey Christian School aims to provide a quality education to all students. Learning Support Services at SCS exists to help us fulfill this mission for students with exceptionalities and includes special education and learning assistance.

International Program

An international student coordinator is available to assist international students and families in communicating with the school staff, getting connected to the school community, adjusting to cultural changes, and enrollment procedures.

All international students at SCS who do not live with their parents must live with an English-speaking family that the school approves. Any change of residence must be approved by the school before it takes place. We can also assist the students with homestay placement.

English Language Learning (ELL)

Students needing English language support are referred to our ELL Director and will receive instructional support individualized for their specific language needs.

GOVERNANCE

The Board of Directors

The board of the Surrey Christian School Society consists of 7 to 12 persons elected by the Society. It in turn elects officers who serve as chair, treasurer, and secretary. Directors serve a three-year term and are encouraged to serve an additional three-year term for a total of six years. The board acts as the guardian of the mission of the school society. Nominations may be made by Society members who are in good standing in the Society.

The board's duties include the following:

- Determine school policies.
- Appoint the superintendent who then hires senior administrative staff.
- Devise ways to obtain needed funds.
- Advance the cause of Christian education.
- Safeguard the assets of the school.

Society Meetings

Our School is operated by the Surrey Christian School Society. Membership in the Society is reserved for individuals 18 years or older who are committed to furthering the purpose, basis and principles of the Society as set out in its [Constitution and Bylaws](#) and is necessary to vote at any formal society meetings including the Annual General Meeting in the fall and the Spring Meeting. The Board of Directors encourages all parents who are active participants in a Christian church to be members of the Society.

Membership dues are paid on a five-year renewal date. Members joining part way through a five-year period pay a pro-rated portion of the five-year membership fee (\$10 per year or \$50 for a full five-year membership). Those seeking membership in the Society must be regular and active attendees of a Christian church and may be required to submit a letter of reference from a pastor or other church leader attesting to their commitment to the Christian faith. To apply for society membership, click [HERE](#). Your application will be forwarded to the board to review for approval.

The Annual General Meeting is held in the fall, and we encourage all parents to attend. Details will be communicated to members at least two weeks in advance. The purpose of this meeting is to keep the membership aware of school matters, and to approve the financial statements from the previous year. The Spring Meeting is held before the end of June with the main purpose being to elect new directors and present the budget for the subsequent school year as information.

COMMUNICATION

Email the Teacher

If you wish to contact your child's teacher via email, use the first initial of the teacher's first name and then type the last name; for example, Jane Smith jsmith@surreychristian.com.

Campus Memo and SCS Roundup Newsletter

A campus specific memo is emailed to parents every Thursday to keep you up to date on upcoming events and things you need to know; while the cross-campus *SCS Monthly Roundup* newsletter is published and emailed monthly to the whole SCS community offering a snapshot into what's happening inside and outside the classroom.

Our Website

www.surreychristian.com

The school website is a wonderful tool for internal as well as external use. This very important platform is used to promote our mission and vision. Some of the items you will find on our website include:

- School calendar
- Athletics
- *Avenues* magazine
- Upcoming events

STUDENT ASSESSMENT

Our assessment practices allow students opportunities to self reflect, self assess, and engage with others through feedback to develop proficiency in their core and curricular competencies. Our teachers are empowered to design learning in a way that invites students into the Kingdom Story, to engage in real work that meets a real need for real people. Our assessment practices seek to invite them into this Story as well and name them as loved and known image bearers of God.

A proficiency scale has been developed for assessing proficiency on the Curricular Competencies. This scale is growth oriented and has four categories with some descriptors provided:

Emerging

I need continual support.
I am just starting.
I am still figuring out what I have to do.
I am hesitant to participate or try.
I am not confident enough because I do not understand yet.
I appear very uncertain on how to move forward.

Developing

I am still learning and growing in understanding.
I am starting to get it; I think I know how to move forward.
I am not always consistent enough yet to share what I know.
I sometimes need support.

Proficient

I am creative and original.
I consistently share what I know.
I met all requirements.
I make minimal errors.
I am independent.

Extending

I have more complex ideas.
I am going above the expectation.
I confidently share what I know.
I go beyond all requirements with depth and insight.

At the elementary grade levels students receive two learning reports, one in December and one in June. Learning is also communicated at two learning conferences, at a Celebration of Learning in early spring, and through an ongoing sharing of learning/reflecting through the platform Seesaw.

At the secondary grade levels students receive a learning report at the end of each semester. Learning is also communicated at learning conferences throughout the year, through Celebrations of Learning, and through an ongoing sharing of learning/reflecting through the platform MyBlueprint.

LIVING IN COMMUNITY

Community Standards Guidelines for Parents, Guardians, Caregivers, Volunteers and Visitors

Purpose

The Surrey Christian School community is built on core values that aim to empower individuals to engage God's world in the servant way of Jesus. We value the participation of parents, guardians, caregivers, visitors and volunteers in the life of our school. This Community Standards document is designed to guide interactions between the parties listed above and Surrey Christian School staff, parents, students and the wider community. These interactions include when such individuals are present at the school or engaged in school-sponsored activities, meetings and functions within and outside of school hours.

These community standards commit each parent, guardian, caregiver, volunteer and visitor to support a welcoming, inclusive and safe environment that will promote positive relationships.

Interactions with Staff

Parents, guardians, caregivers, volunteers and visitors will:

1. Respect the authority of staff and refrain from undermining their reputation.
2. Be respectful of the time constraints of staff and their responsibility to focus on students (along with other aspects of their job), while communicating with them during school hours.
3. Refrain from using intemperate or confrontational language or speaking negatively in public about staff members or school policy.
4. Refrain from publicly posting criticisms of staff or school policies on social media
5. Refrain from communicating repeatedly to the same staff member on a topic that has already been addressed.
6. Avoid soliciting support from others for ideas that undermine the reputation and healthy functioning of school leadership, digitally or in person
7. Allow reasonable time for staff to respond to communication.
8. Preferably make an appointment before showing up at school to speak with a staff member.

Parents:

1. Will raise a concern about their child's teacher or a classroom situation with the relevant classroom teacher or staff member(s) first; if the matter is not resolved, then with the relevant assistant principal or principal; if the matter is not resolved, then follow the appeals process as outlined in the school's Discipline Appeal Policy and Dispute Resolution Policy. When doing so, parents will observe the rules of engagement set out in this document. The superintendent may be drawn in by a parent only if an accusation of discrimination, harassment, or misconduct has been made against the campus principal.
2. Will allow staff members a reasonable amount of time to investigate, gather evidence, and consider the perspectives of other parties before a decision is made on a particular issue.

3. Will contact a staff member on their work email address, which is checked regularly on school days, or by calling the school office and leaving a message. Parents will refrain from communicating with staff via their personal social media accounts, personal mobile phones or by visiting a staff member at their home.

Interaction with Students

Parents, guardians, caregivers, volunteers and visitors will not:

1. Initiate one-to-one online communication with SCS students who are not their child.
2. Confront a student directly and accuse them of an offense. Concerns about other students should always be raised with relevant staff.
3. Post critical comments online or speak negatively about SCS students publicly.
4. Encourage a child to exclude, criticize, or become physical with other students.
5. Upload to social media or distribute in print any photos or videos of SCS students who are not their own children.
6. Forward the contact information of other SCS parents without their consent.

Conduct on Campus

Parents, guardians, caregivers, volunteers and visitors are to:

1. Follow reasonable directions of staff while on campus and respect learning activities in progress.
2. Respect class time, refrain from distracting or disrupting lessons, and only enter a classroom with an invitation from the teacher.
3. Demonstrate integrity in their behaviour and treat others with dignity and respect.
4. Supervise children in their care while on school property outside of school hours.

School Discipline

1. The school expects students to comply with its rules and expectations and not engage in behaviour which is harmful to others or is contrary to the ethos and philosophy of the school. Parents are expected to support the SCS Discipline Policy as found in the Student Handbook and not undermine its authority.
2. Parents should reserve judgment of matters reported by their children until they have heard the full context from the perspective of a staff member who has investigated and considered the matter as a whole.
3. In the case of disciplinary matters, SCS will be the arbiter of what is a just response and will not engage in protracted debate about the appropriateness of disciplinary consequences. SCS will inform parents of disciplinary matters which may result in probation, suspension or expulsion and will address these in accordance with our Discipline Policy. Although parents will be consulted, the school will make the final decision in these matters.

Failure to Observe This Community Standards Document

If parents, guardians, caregivers, volunteers and visitors fail to observe these community standards after being cautioned about a breach, SCS leadership/board may (but not limited to):

1. Limit access to a teacher or other staff member.
2. Rescind membership from the Surrey Christian School Society.

3. Limit access to SCS premises or events.
4. Withdraw the enrollment of their child.

Our school community is strengthened, and unity fostered when all members work together to adhere to these standards. We are grateful for the supportive SCS parent community. It is our honour to partner with you as we all seek to educate our children in a God-glorifying manner.

Student Responsibilities

As a Christian school, we long that the Spirit of the Lord will prevail in our hallways, sports fields, staffroom, and classrooms. Our teachers have been called to walk with students through nods, nudges, and encouragements; to walk through the discouragements and to urge students to live out a faithful response to our Maker. We long for students to take responsibility for their actions, come to an understanding of how their actions have affected others, and provide a space and place to repair the harm that has been caused. Effective discipline is to guide people back into restored relationship with God and community. Rules and guidelines exist to help remind the various groupings that make up SCS (staff, students, administration, and parents) that they each make up merely one part of the community and must always take 'others' into consideration.

A Restorative Framework

The fundamental hypothesis of restorative practices is that students are more cooperative, productive, and more likely to make positive changes in their behaviour when those in positions of authority do things with them, rather than to them or for them. The aim of restorative practices at SCS is to build and strengthen community and to manage conflict and tensions by repairing harm and restoring relationships.

A commitment to allow all things of school to be viewed through a restorative lens will move us closer to a whole way of living and affect the restorative milieu of our greater community. What does wholeness have to do with restorative practices? The word wholeness comes out of the Judeo-Christian tradition of shalom. Shalom means much more than peace and is better defined as "a condition of 'all rightness', of things being what they should be." Building and strengthening relationships is about wholeness; repairing harm is about wholeness; equipping our students, parents and staff to ask questions that get away from the 'blame game' is about wholeness; doing things with people is about wholeness; learning to listen is about wholeness. Restorative practices are a bridge to allow us to be whole, to be in right relationship, to go back and/or to move forward to how life was intended to be.

When issues arise that are harmful and have a negative impact, they will be addressed in a restorative manner at SCS. These issues will be appropriately addressed by all the relevant parties impacted by the harm: the parents, the staff, the administration and/or the students. The restorative response for when harm has been done will include affective statements, affective questions, small impromptu conference, circle or a formal conference. The people impacted by the harm will have input on what needs to happen to make things right.

The restorative questions used are as follows:

To respond to challenging behaviour:

What happened?

What were you thinking of at the time?

Living in Community

What have you thought about since?
Who has been affected by what you have done? In what way?
What do you think that you need to do to make things right?

To help those harmed by others' actions:

What did you think when you realized what had happened?
What impact has this incident had on you and others?
What has been the hardest thing for you?
What do you think needs to happen to make things right?

Beyond the Restorative Framework

There may be times when our students choose not to acknowledge responsibility for their actions. For situations like these, it is important to have a process in place to repair the harm done to the community. The process gives the authority to the administration or teacher to make decisions without the input of those involved in the situation. The intent will again be to search for ways to repair the harm, but the course of action is determined by an authority at SCS.

Dispute Resolution Policy

Should a dispute, misunderstanding or conflict arise between a parent and a teacher at Surrey Christian School, the following procedures should be followed to resolve the situation.

- 1) Parent-Teacher: The parent and teacher will be encouraged to have a face-to-face meeting to discuss the situation and bring some resolution to the matter. Under normal circumstances, if the school administration is contacted regarding the dispute, they will not discuss the situation with the parent but rather encourage the meeting to take place between the parent and teacher as soon as possible.
- 2) Parent-Teacher-Principal: Should the parent or teacher not be satisfied with the outcome of that meeting; they should inform the principal of the situation as soon as possible. The principal will arrange for a meeting to be held between the parties and the principal at everyone's earliest convenience. A further attempt will be made to resolve the issue.
- 3) Parent-Teacher-Appeals Committee: Should the parent or teacher not be satisfied with the outcome of this meeting; an appeal can be made to the Appeals Committee. The Appeals Committee is comprised of administrators and senior leadership staff. A link can be requested to an online Appeals Form which will be submitted to the superintendent and forwarded to the Appeals Committee.
- 4) Parent-Teacher-SCSBC: The decision of the Appeals Committee is final. However, a student and parent may appeal to the Society of Christian Schools of BC (SCSBC).

Student to Student Harassment Policy

Harassment refers to behaviours, gestures, comments or displayed materials of a sexual, racial, gender-based, religious or personal nature that create an intimidating, hostile, or offensive educational learning environment. The issue of sexual harassment refers to any unwelcome conduct of a sexual nature that detrimentally affects the learning environment or leads to adverse consequences for the person being harassed. Claiming that an action was unintentional is no excuse, either legally or in our school setting. Harassment is discriminatory and disrupts the environment of mutual respect, cooperation and trust, which is crucial for ensuring a healthy and productive school community. All students and school employees are expected to conduct themselves with respect for the dignity of others. If a student has

concerns about the nature of any physical contact or conduct by an adult employed by the school, fellow student, or by a member of the public, the student should immediately report this to the principal, assistant principal, or school counselor. Students are encouraged to report any conduct or contact that makes them feel uncomfortable, is bothersome, or is contrary to a stable learning environment. Formal disciplinary action may include but are not limited to suspension or expulsion. A record of offences will be kept.

Discipline Appeal Policy

If either students or parents feel that a suspension and/or expulsion has been handled incorrectly, and they have discussed this matter in person with the school personnel involved, yet the matter remains unresolved, an appeal can be made in writing to the Appeals Committee. The Appeals Committee is comprised of administrators and senior leadership staff.

- 1) An appeal must be brought within two weeks of the decision. The parent or student can request a link to an online Appeals Form which will be submitted to the superintendent and forwarded to the Appeals Committee.
- 2) A decision will be provided to the student and parents within a reasonable timeframe.
- 3) The decision of the Appeal Committee is final. However, a student and parent may appeal to the Society of Christian Schools of BC (SCSBC).

Anti-Bullying Policy

Harassment or bullying is a pattern of repeated aggressive behavior with negative intent directed from one child to another where there is power imbalance. This aggressive behaviour can be physical, verbal, or via social media and can involve social alienation. It is repeated over time, is intended to hurt and involves a power imbalance.

All staff members are to become knowledgeable of bullying behaviours. The school counselor should review these on a yearly basis. Staff members who recognize harassment/bullying behaviours are to deal with them as outlined below:

1. Describe the behavior. (e.g. You have been pushing Johnny in such a way as to hurt him.)
2. Respond by stating expectations.
3. Inform the parents without revealing the identity of the other student(s).
4. Check back with both students to see if the problem has been solved.

If the bullying behavior persists:

1. Confront the student about the behavior.
2. Prohibit the behavior or set limits through appropriate punishment.
3. Involve the principal, counselor, and parents (meeting separately and confidentially.)

If bullying behaviour continues to escalate:

1. Refer to a disciplinary committee.
2. May need to refer to policy and/or the Ministry for Children and Families.

Reference: "Focus on Bullying", Ministry of Education

Discrimination Protection Policy

The safety and wellbeing of children in independent schools is of paramount consideration. Children deserve to be protected from abuse, neglect, bullying, harm or threat of harm. Therefore, FISA BC independent school member associations and their affiliated schools will ensure that children attending these schools will experience a learning environment that enables every child to feel safe, accepted and respected.

Surrey Christian School will continuously develop strategies to make students feel valued, respected and connected within the school community. This will include the protection of the students' physical safety, social connectedness, inclusiveness as well as protection from all forms of bullying, regardless of their gender, race, culture, religion, sexual orientation or gender identity and expression, while remaining consistent with Surrey Christian School's faith-values, cultural perspectives and philosophical values.

There are many strategies and activities that can be employed within Surrey Christian School to enable students to feel safe, accepted and respected, and to facilitate a conversation on strengthening the learning environment for children such as:

1. Engage students in the decision-making process of policies and activities that build community.
2. Engage parents in the educational program and school life of their children.
3. Encourage parents to share their culture and expectations.
4. Promote open communication among administrators, teachers, staff, students, families and communities.
5. Be proactive in connecting with students that are experiencing academic or social issues.
6. Communicate expectations, values and norms that support positive health and academic behaviour in the school community.
7. Acknowledge students by name.
8. Be visible within the school during class transitions, breaks, before/after school.
9. Find ways to acknowledge students for their contributions in the school community, including those where improvement comes only in small increments.

PARENTAL INVOLVEMENT

New Parent Orientation

All new parents are expected to attend a new parent orientation in May or September which will provide lots of helpful information about the history, purpose and nature of our school. Attendance at one of these sessions is mandatory.

Annual Back-to-School Event

This is a free event at the beginning of September, and a wonderful opportunity to meet other parents and get connected to the school community if you are new to Surrey Christian School.

Open House

Open Houses are held several times during the school year to give new parents and interested persons an opportunity to observe the school in progress.

Grandparents Day

Grandparents will have the opportunity to visit the school on a specific day designed for them. Students enjoy this time with their grandparents and share them with other students who may not have any grandparents present on this special day.

Volunteer Program

Parents/Guardians of each family are encouraged to volunteer a minimum of 10 hours per family. Your contribution of service will be a rewarding experience, model important values to your children as well as help the educational process. We recognize that it may be difficult for some parents/guardians to volunteer during school hours, but there are many opportunities that can be done at home such as phoning, baking, washing tablecloths or volunteering at evening events. We believe parental involvement is essential to being engaged in your children's education. We want you involved because you love your kids and your kids' school. We are stepping out in faith believing that parents want what is best for SCS and are willing to participate in creating and sustaining what is best by volunteering.

To volunteer click [here](#).

Volunteer Policy

Rationale

1. Volunteers within the school will provide additional human resources which will improve instruction and provide valuable support for teaching staff.
2. Volunteer assistance must be of benefit to the school. It is hoped that they would receive value and satisfaction as well.

Recruitment, Orientation and Training

1. Volunteers will be asked to commit themselves to assisting only after they have had an opportunity to visit the school, discuss roles and have their questions answered.
2. All regularly scheduled volunteers are required to undergo a Criminal Record Check.
3. Volunteers must be made aware that they are to maintain the confidence placed in them so that no information of specific pupils or problem situations be related outside the school.

Discipline by Volunteers

1. Volunteers are acting on behalf of the school, under the direct supervision of the teachers and in this capacity, they should report any discipline problems to the teacher.
2. On field trips or in situations where the teacher is not immediately accessible, a volunteer should provide firm direction to the students in his/her charge and explain the situation to the teacher as soon as possible.
3. Pupils should be made fully aware that a volunteer is in a supervisory position and that common courtesy and good behavior are expected of the students.

Guidelines for Teachers Using Volunteers

1. Acquaint the volunteer with other teachers, custodian, school secretary and those with whom there will be contact.
2. Ensure the volunteer checks in with the office when they arrive at school before going to the classroom.
3. Help the volunteer become familiar with the classroom and all teaching aids and materials that are available for use.
4. Get to know the volunteer as a person. Establish a relationship whereby effective communication can be carried on at all times.
5. Introduce the volunteers and establish their position and role with them.
6. Ease the volunteers into the jobs in which they seem comfortable.
7. Volunteers must have a fairly clear idea of what is expected of them and how they are doing.
8. Volunteers should not be left alone in charge of the class.
9. If a volunteer is not needed on a particular day, contact them in advance.

Guidelines for Adult Volunteers

1. A volunteer is not necessarily assigned to their own child's class.
2. A volunteer should not publicly discuss any confidential information they are exposed to during their volunteer time.
3. In case of absence, volunteers should notify the school as soon as possible.
4. Volunteers will work under the supervision and guidance of the teacher.
5. The volunteer should become familiar with school routines.
6. Volunteers will have no access to school records.
7. A volunteer may not evaluate a pupil's progress.
8. Volunteers should follow student dress code as found in the student handbook.
9. The volunteer is guided at all times by school policy.

We Encourage Parents To:

- Be interested in taking note of all the work that is brought home or posted on Seesaw (grades K-7) by your children.
- Be actively involved in working with the school in the many avenues provided.
- Be well-informed and read all notices sent home whether by hard copy or email.
- Remember to pray for your children, teachers, and entire school community.

SAFETY AND SECURITY

Emergency Policy

Staff (supervisor/teacher/principal) is responsible for assuring the immediate safety of all students. Staff at scene will proceed with action and alert necessary help (first aid, secretary, etc.). Parent(s) is notified of any incidents and will be asked to assist if out-of-school medical attention is needed. Staff member should complete an accident report form that is filed in the office. Any grounds/building concerns that may have contributed to the accident are brought to the immediate attention of the facilities manager.

Evacuate

Used to move people out of the school when a hazard exists inside such as a fire. Fire drills are scheduled at regular intervals as required by the Ministry of Education. It is essential that when the first signal is given, everyone abides by the instruction given and promptly clears the building by the prescribed routes as quickly as possible.

Drop, Cover, and Hold On

Used in the event of an earthquake, explosion, or any event that shakes the school. Drop, Cover, and Hold On drills are held several times a year. Students are instructed drop low to the ground; take cover under a study table, desks, furniture, or other large sturdy items; and hold on to the furniture until the shaking stops. After the shaking stops, wait 60 seconds and then evacuate via the shortest safe route. Students in Grades K-7 are required to have a comfort kit brought to school by mid-September. See Back-to-School information package for more information.

Lockdown

Lockdown drills are also held during the school year. Students are instructed to gather away from the windows and doors, get down low and keep quiet. Cell phones are to be silenced and placed face down on the floor. Students are asked to give their cell phones to the teacher. Making calls will draw concerned loved ones to the school placing them in danger and inhibiting the emergency response.

Privacy Policy

Safeguarding personal information of parents and students is a fundamental concern of Surrey Christian School. The school is committed to meeting or exceeding the Privacy Standards established by British Columbia's Personal Information Protection Act (PIPA) and any other applicable legislation. Should you have any questions, concerns or desire a copy of the school's Personal Information Privacy Policy, please contact the Administration Office.

Student Insurance

The school does not provide extended health coverage for injuries. Parents are encouraged to maintain their own extended health coverage in order to minimize their costs.

Field Work and School Outings

Students may participate in field work (formerly known as field trips) during the school year. Parents are required to sign a Consent and Assumption of Risk Form at the time of acceptance to SCS. This allows students to participate in low-risk day trips without the need to return a permission form. In the

planning stages of medium to high-risk field work, parents will receive information letters as well as permission slips at least 24 hours in advance. For low-risk field work the consent signed at the time of acceptance is sufficient.

Transportation of Students by Volunteers (grades 8-12 only)

The Ministry advises that schools set their own standards to ensure the safety of children being transported. As much as possible students will be transported by school bus. Parents who volunteer to drive students other than their own child are required to complete a form including their commitment to operate the vehicle in a safe manner, abide by all applicable laws etc.

The following guidelines are established as minimal measures to be taken by staff who are involved in arranging for the transportation for students in privately owned vehicles whether driven by a volunteer, student or teacher.

Our school ensures the following:

- The driver is known to school personnel, has a valid driver's license and appears competent to drive.
- The vehicle has a current license plate/insurance.
- There is a functional seatbelt for each passenger assigned to the vehicle and instructs the driver to ensure that they be used.
- That proper seating is used.
- That the vehicle appears to be safe for transporting pupils.

The teacher and administration will ensure a list of the drivers and automobiles and its passengers are recorded for each trip. The Society carries an excess liability insurance policy which extends the vehicle owner coverage (volunteer parent, teachers, etc.) while driving for a school sponsored activity to \$10,000,000.

Bus Transportation

The Combined Christian Schools Transportation Committee provides bussing for all students. Please visit our website [here](#) for all the school bus guidelines and information.

School Dance Policy

Why we have dances

Dance can be a wholesome form of entertainment and expression that brings glory to God through positive social interaction and community building. Many students at Surrey Christian School participate in dances or parties outside of school that may be unhealthy and poorly supervised. The goal of this policy is to provide a framework to decide when and how often dances will take place to provide procedures so that a safe and comfortable environment for dancing will be created that includes good chaperoning, wholesome music, and a positive, uplifting atmosphere.

How often we have dances

Dances will take place at most twice per year and may be sponsored by any SCS group that has a teacher sponsor willing to be in charge of the event.

Criteria on music selection

All music played at dances must be pre-approved, and no music will be played that has not been approved. The sponsoring group will choose all the music, with the final approval given by assistant principal and/or sponsor teacher. The criteria for determining the play list will be that it is good for dancing and does not have offensive or suggestive language or content.

Supervision

1. The minimum number of chaperones is one for every 15 students that are expected to attend the event. Half of the chaperones must be parents of SCS students. There should be both male and female chaperones at the event.
2. Dances are for SCS students, but guests may attend with approval of the assistant principal and/or sponsor teacher at least one day before the event.
3. In addition to inside supervision, chaperones must check on what is happening outside of the building.
4. There will be no in and out privileges.

HEALTH

Public Health Nurse

The public health nurse provides the school with consent forms for immunizations which get distributed to parents by the office.

Nutrition

Parents are encouraged to choose healthy foods for snacks and lunches, and water rather than juice boxes. Please minimize foods high in sugar. Some suggestions: carrots, celery sticks, raisins, peeled or prepared fruit, other raw vegetables, crackers and cheese etc. Please mark lunch bags with student's name.

There are times where a classroom or campus is nut-free. Please respect this as one way to support others in our community. See campus-specific information below.

A Quick Guide to Common Childhood Diseases

Click [here](#) to view a quick guide to common childhood diseases

Anaphylaxis Policy – Management of Life-threatening Conditions

SCS is committed to the principle of providing a safe learning and teaching environment for all its students, including those students who have been identified as having the potential for an anaphylaxis event. Anaphylaxis is the term used to describe an acute, severe, life-threatening allergic reaction that can be caused by foods, insect stings, medications, latex or other substances. While anaphylaxis can lead to death if untreated, anaphylactic reactions and fatalities can be avoided.

While it is impossible to create a risk-free environment, school staff and parent(s) and guardian(s) can take important steps to minimize potentially fatal anaphylactic reactions. Education and awareness are key to keeping students with potentially life-threatening allergies safe.

In order to support students with life-threatening allergies, SCS will ensure there is a school anaphylaxis plan that is designed to ensure that children at risk are identified, strategies are in place to minimize the potential for accidental exposure, and staff are trained to respond in an emergency situation.

Identification of Children at Risk

On the SCS registration form, parents/guardians are asked about medical conditions and allergies, including whether children are at risk of anaphylaxis, asthma and diabetes. It is expected that parents provide detailed information about their child's allergy in order that all staff can be properly informed and educated on the safe treatment of the child. It is the responsibility of the parents to:

1. Inform the school both in writing on the registration form and verbally to a member of administration upon admittance of the student. If a student develops a change in their medical condition after admittance, it is the parents' responsibility to ensure the school is properly updated.
2. In a timely manner, complete medical forms or the Anaphylaxis Emergency Plan. This plan will be posted unless otherwise instructed by the parent.

3. Provide appropriate medication for the child and discuss with the school where this medication will be kept. This includes the provision of an auto-injector to be stored in a central, safe but unlocked location.
4. Inform the school when they deem the child is competent to carry his/her own medications and ensure the child understands he/she must carry the medication on their person at all times.
5. Ensure anaphylactic medications have not expired and ensure expired medication is replaced promptly.
6. Advise the school if their child has outgrown an allergy or no longer requires an epinephrine auto-injector. (A letter from the child's doctor is required.)
7. Have the child wear medical identification (e.g. MedicAlert® bracelet). The identification could alert others to the child's allergies and indicate that the child carries an epinephrine auto-injector. Information accessed through a special number on the identification jewellery can also assist first responders, such as paramedics, to access important information quickly.

Record-Keeping and Monitoring

Accurate records for each student at risk of life-threatening allergies will be kept in the school office. Information relating to specific allergies for each identified student will form part of the student's Permanent Record.

The record will include the student's Anaphylaxis Emergency Plan which includes a photograph, a description of the child's allergy, emergency procedure, contact information, and consent to administer medication. Individual plans are developed by the school and parents. The Anaphylaxis Emergency Plan is to be posted in key areas depending on the campus. For example, this could include: the child's classroom (elementary), the staff room (secondary), and the office. A list of high-risk students will also be shared with the out-of-school-care provider.

Administrators will monitor the number of at-risk anaphylactic students and the number of anaphylactic incidents and determine whether protocols need to be updated. This information will be kept on file.

The school administration will undertake an annual inventory of individual student Anaphylaxis Emergency Plans to make certain they are up to date and medication is not expired.

Emergency Protocol

Children at risk of anaphylaxis who have demonstrated maturity should carry one auto-injector with them at all times and have a back-up available in the school in the possession of the school office staff. Most children are able to carry their own auto-injector and asthma inhaler (if needed) by Grade 1 to 2. For children with stinging insect allergy, this would not have to be for the full year but during insect season (warmer months). For younger children the auto-injector will be kept in the teacher's desk, again with second back-up at the office.

For field trips at least one, preferably two auto-injectors (or one dual auto-injector) per allergic student must be available. It is recommended that the organizer of the field trip carry a cell phone and know the location of the closest medical facility.

Emergency Response

Adults must listen to the concerns of the child at risk, who usually knows when a reaction is occurring even before signs appear. It cannot be assumed that children will be able to properly self-administer

their auto-injector. (In some cases, children may be fearful of getting a needle or may be in denial that they are having a reaction.)

To respond effectively during an emergency, a routine has been established and practiced, similar to a fire drill. During an emergency:

1. One person stays with the child at all times.
2. One person goes or calls for help and returns to the child.
3. Administer epinephrine at the first sign of reaction. The use of epinephrine for a potentially life-threatening allergic reaction will not harm a normally healthy child if epinephrine was not required. Note the time of administration. School staff, in an emergency, will administer epinephrine to an anaphylactic student as authorized by the parent on the Anaphylaxis Emergency Plan.
4. Have office staff contact the child's parents.
5. Call 911 and ask for an ambulance immediately. A second dose of epinephrine should be administered within 10-15 minutes if symptoms have not improved. Have the child transported to an emergency room even if symptoms have subsided. Symptoms may recur hours after exposure to an allergen.
6. One calm and familiar person must stay with the child in the emergency room until a parent or guardian arrives.

Training and Awareness

Each year, generally in August, there will be training for staff which includes an overview of anaphylaxis, signs and symptoms and a demonstration on the use of epinephrine. Staff will have an opportunity to practice using an auto-injector trainer (device used for training purposes) and are encouraged to practice with the auto-injector trainer throughout the year, especially if they have a student at risk in their class.

On-call teachers will be advised to review the Anaphylaxis Emergency Plan for children in their class. Administration will speak with teachers-on-call about the procedure for responding to emergency situations.

It is expected students with allergies will be treated with respect and empathy by their peers and any harassment or deliberate exposure of a student to an allergen will be considered a serious breach of conduct.

Creating an Allergy-Safe School Environment

Individuals at risk of anaphylaxis must learn to avoid specific triggers. While the key responsibility lies with the students at risk and their families, the school community must also be aware. Special care is taken to avoid exposure to allergy-causing substances. Where possible, foods and items that cause specified allergic reactions that may result in anaphylaxis will not be allowed into the classroom of the affected student(s). The school community will be made aware of the restrictions and staff will do their best to enforce this. The risk of accidental exposure to a food allergen can be significantly diminished by means of such measures.

Given that anaphylaxis can be triggered by minute amounts of an allergen when ingested, children with food allergies must be encouraged to follow certain guidelines:

1. Eat only food that they have brought from home unless it is packaged, clearly labelled and approved by their parents (an exception can be made for this in a Foods course if a personal nut allergy safety plan is in place and with the permission of the parents).
2. Wash hands before and after eating.
3. Not share food, utensils or containers.
4. Place food on a napkin or wax paper rather than in direct contact with a desk or table.

Nut-Free and Nut-Sensitive Zones

At the elementary campuses, SCS may designate specific classes as nut-free or nut-sensitive zones, recognizing that older students can advocate for themselves and better manage their environment to stay safe. Based on conversations with parents of students with life-threatening allergies, teachers will make appropriate class plans to support students.

In general, K-3 classes are classified as nut-free zones in which no nuts may be brought to class. In general, grades 4-12 are classified as nut-sensitive zones. In this zone, students may bring foods containing nuts as children learn to advocate for themselves. Exceptions may be made to the above guidelines if deemed reasonable and safe, and in collaboration with health authorities.

Counsellors

Counselling services are provided for students who are addressing social, emotional, or other personal challenges in their lives. Students at the elementary campuses may access counselling themselves or through referrals from a parent, teacher or administrator. A written consent form from parents is required. Students at the Secondary Campus have direct access to the counsellor, or they may be referred by a teacher, administrator or parent. The school counsellor(s) may also offer external resources or referrals if necessary.

Child and Youth Care Worker

There is a Child and Youth Care Worker (CYCW) available at all campuses. The CYCW provides support to students who are at risk or experiencing difficulties. The CYCW is viewed as a safe person that students can come to when seeking one-to-one support. The CYCW also plans and implements activities that promote social and personal development, provides personal and family guidance, and functions as a resource person for teachers and other school staff.

FLEETWOOD & CLOVERDALE CAMPUSES

School Supplies

All pencils, rulers, erasers, notebooks and paper are supplied by the school. Any books and materials lost or damaged must be replaced by the student. As much as possible, activity fees for field work and other learning experiences are included in the tuition for all students. If additional expenses are required, particularly for our Grade 4-7 students, a notice will be sent home.

Dress Code

Students are expected to wear clean, neat, modest clothing with appropriate logos or designs.

Footwear

PreK-7 students must remove outdoor footwear upon entering the school. An extra pair of running shoes is required for indoor use only (non-marking soles). Boots are recommended for outdoor footwear during wet weather conditions.

Extra Clothing

Students in PreK–3 are encouraged to keep an extra set of clothing in their lockers. Please ensure all pieces of clothing are labeled.

Snack

Students will be given up to 15 minutes to have a snack during the morning session.

Lunch Hour Procedure

At the Fleetwood Campus K-3 classes have a “no nuts” and “no juice” policy as well as a “pack it in, pack it out” understanding for all recyclable lunch items. There is a “nut aware” policy at grade 4-7 level, meaning, if there is a student in the class with nut allergies, classmates will not bring food containing nuts to school.

Hot Lunch Program

Hot lunch purchases are available throughout the year. Orders and payments are made online. Parents will receive notification about when to register and order for the hot lunch program

Learning Commons

The school Learning Commons (formerly known as libraries), an integral part of the educational program, is an extension of the classroom. The Learning Commons facilitators are committed to encourage a love for reading as well as provide opportunities for students to develop and practice research and information-finding skills with discernment. Learning Commons programs at the elementary campuses may include Writing Club, Red Cedar Book Club, Reading Link Challenge, and Reading Bingo.

Sports

Grade 6 and 7 students are eligible to play extramural sports against teams from other schools. The aim of intermediate school athletics is to include as many students as possible in Grades 6 & 7. There is also cross country, track & field and specific sport development opportunities for students in Grades 4-7.

Fall Season (Sept.-Nov.)

- Gr. 4-7 ♦ Co-ed Cross Country Running: September-October
- Gr. 4-5 ♦ Development programs for boys and girls in soccer and volleyball on an annual basis (either in fall or spring season), based on interest, gym availability and coach/parent involvement.
- Gr. 6-7 ♦ Co-ed Soccer: September - early October
- Gr. 6-7 ♦ Boys' and Girls' Volleyball (Tripleball): October-November

Winter Season (Dec.-Feb.)

- Gr. 4-7 ♦ Co-ed Running Club: January-March (Fleetwood Campus only)
- Boys' and Girls' Basketball: December-February (Fleetwood gr.6-7; Cloverdale gr.6-7)
- Gr. 7 ♦ Co-ed Badminton: end of February-April
- Gr. 4-5 ♦ Development program for boys' and girls' basketball on an annual basis based on interest, gym availability and coach/parental involvement.

Spring Season (Mar.-June)

- Gr. 7 ♦ Co-ed Badminton continues: March-April
- Gr. 7 ♦ Boy's and girl's Ball Hockey: March (Fleetwood only)
- Gr. 4-7 ♦ Co-ed Track and Field: March-May
- Gr. 6-7 ♦ Co-ed Ultimate: May – June (Fleetwood only)

Safety

Skateboards, scooters, roller blades, heelys or electronic devices should not be used during school hours. Knives, firecrackers or matches may not be brought to school. For their own safety, all members of the school community must use sidewalks and crosswalks on entering the school and its property.

Learning Conferences

Learning conferences are scheduled two times per year. Our partnership with parents is key to the overall well-being of our students. Teachers are encouraged to contact parents about concerns and accomplishments of their students.

SECONDARY CAMPUS

Learning Commons

Physical Resources

Our campus learning commons (library) manages all library books and textbooks for the Secondary Campus. Students will find fiction, graphic novels, magazines, and great books for research in every subject area. But it's not just a place to get stuff, it's a place to make stuff—video and audio recording equipment, including headphones, are available. Doors are open from 8:15 am – 4:00 pm Monday through Thursday. It closes at 3:00 pm on Fridays. Check the front display for new books.

Digital Resources

Our learning commons is both a physical and a digital space with human resources. The staff is always eager to help students develop their research skills, navigate databases, or locate audio and e-books. Students should bring their own laptops to the learning commons, though some computer stations are available for searching the catalogue, 3D and paper printing.

What can we do?

Come to the learning commons to study, make a project, or relax with a book. Students can write an essay, or make a poster, podcast, video, or presentation—with librarians on hand to help. Classes use the space for instruction, research and presentations with access to our sound system, projector, mobile white board. We have a student run Writing Centre most blocks. Students can also access the IT department for any help with their personal devices.

Student Accounts

Students may borrow most resources for three weeks and are encouraged to return them promptly. Overdue notices and hold notifications are sent by email, and it's the student's responsibility to supply a current email address. Patrons can manage their own accounts by logging in to the Learning Commons website or app where all books can be renewed without fines. A replacement cost will be charged for lost or damaged items. All Learning Commons business must be cleared up at the end of each semester.

Sharing Space

Students are welcome to quietly spend spare blocks in the Learning Commons but must give priority to classes who are meeting in the space. In order to maintain a clean and pleasant atmosphere, there is no food or drink allowed in the library, but the café has seating right outside the door. Students are welcome to listen to music with headphones, so others are not disturbed.

Registration for Course Selections

Grade 10 and 11 students and their parents are invited to an **evening orientation meeting** in the early spring. At this event information is presented regarding graduation requirements, course descriptions, and requirements for post-secondary education. Attending this meeting will ensure that students select the courses which will help them meet their long-term educational and career goals.

There is an online **course handbook with course descriptions** for Grade 8-12 courses. The course handbook contains information to help you make good decisions in planning your schedule.

There are times when the selection or schedule of courses offered at Surrey Christian School does not meet the needs of an individual student. With the assistance of the academic counsellor, students may register for an online **correspondence course** through distance education or a distributed learning school. Correspondence online courses require students to be independent and self-disciplined. See www.learnnowbc.ca for options.

Students are required to enroll in eight courses – a full academic schedule. Flex blocks may be granted in the following circumstances:

- heavy academic load in Grade 12 (5 or more academic classes)
- an online course is being taken
- a course is being taken outside the regular timetable.

At the Grade 11 or 12 level students may use a scheduled block for a Teacher's Assistant (TA) for which they will be evaluated and receive credit on their transcript. Other options for Grade 12 students are possible (e.g. volunteer or service project, credit for external courses, work experience) but must be arranged through the academic counsellor. Applications for TA positions are available in May. Students with exceptional circumstances may appeal to the Student Support Team with a written request to change their course schedules.

GPA Policy

Grade point averages for the purposes of determining the Governor General's Bronze Medal will be based on all courses taken in grades 11 and 12 that are numbered 11 or 12 except grades given for "Teacher Assistant" courses. This grade point average will also be one of the factors considered in deciding on scholarships given by Surrey Christian School for which academic achievement is one of the criteria.

Student Leadership

The leadership class is designed to provide students with opportunities to learn leadership skills and competencies through both classroom and experiential environments. Students will work collaboratively by engaging their school in areas such as Crew, restorative practices, planning school events and working with various school committees. They will also engage our local community in numerous ways such as helping with an inner-city breakfast program, volunteering with the City of Surrey and having local leaders come and speak to us. This course is designed for Grade 11/12 students and must be applied for.

Athletics

Falcon Athletics plays an important role in the life of the students, staff and greater community at Surrey Christian School. The school is a member of B.C. School Sports, the Surrey Christian School Athletic Association, the Surrey Secondary School Athletic Association, as well as the Christian Secondary School Athletic Association. These associations give us the opportunity to play at every level of high school sport in the province.

The Athletic Program operates as an extension of the school's educational curriculum, and the diversity of sports offered strives to guide students through experiences which will help them learn the basic objectives of being disciplined Christian athletes. Participants are stimulated to respect authority, pursue excellence, commit to practice schedules in preparation for competition, react responsibly to

themselves and others in times of competition, to improve their skills and their overall self-worth and above all, represent Christ. The Athletic Program is also designed to facilitate school spirit and to provide an enjoyable outlet for the students.

There is an annual fee of \$100 for participating in the athletics program which includes team gear etc. Grade 8-12 students pay an additional fee for major sports (volleyball, basketball, soccer) and for minor sports (anything other than volleyball, basketball or soccer). Individual sport fees will range between \$25-\$100, not including the cost of hotels, ferries and transportation on team trips. Athletic fees are subsidized significantly by funds raised for the athletics department at our annual Falcons Classic golf tournament.

Parents are encouraged to volunteer as coaches if they have the skills and experience, or as a team parent who monitors and oversees the running of the team outside of the training and games. Parents are also encouraged to volunteer to help run home tournaments and to drive to and from events when required.

Fall Sports (September through November):

- Boys and Girls Cross Country (league races and tournaments)
- Boys and Girls Volleyball (league and tournaments)
- Boys Soccer (league and tournaments)
- Boys and Girls Swimming (league and tournaments)

Winter Sports (December through March):

- Boys and Girls Basketball (league plus tournaments)

Spring Sports (March to June):

- Boys and Girls Senior Badminton (league plus tournaments)
- Boys and Girls Track and field (local meets and championships)
- Girls Soccer (depending on interest, league and tournaments)
- Co-ed Ultimate (league and tournaments)
- Co-ed Exhibition Ball Hockey (non-sanctioned)
- Boys and Girls Exhibition Beach Volleyball (non-sanctioned)

Full Year

- Rock climbing

N.B Sports will only be offered where there is a teacher sponsor / community coach and enough athletes committed to participate.

There is also a service component to the athletic program overseen by the Recreational Leadership team.

Injuries: Although the staff at Surrey Christian School takes all necessary precautions, students participating in school sports and extracurricular activities are at risk to incur bodily injury. The school does not provide extended health coverage for these injuries. Parents are encouraged to maintain their own extended health coverage in order to minimize their costs.

To be a Falcon is to embody...

**Respect
Gratitude
Commitment
Encouragement
Growth**

This deep hope extends to our student athletes, our families, our coaching staff and our fans. These embodiments encompass many areas of sport and what it means to be a part of a thriving community. We will represent our God, our school, our families and our team to our very best. This will allow us to model our school's mission and vision through athletics.

Academic and Career Counselling

The Guidance Counsellor is available to assist students with developing their educational and career plans. Information on graduation requirements, scholarships, and admission criteria for post-secondary education is available by appointment. Students and parents are encouraged to take advantage of this service.

Scholarships and Academic Awards

At the end of their Grade 12 year, students may apply for scholarships via Surrey Christian School in recognition of achievements in service, leadership, academics and athletics. Click on the following links to learn more about the scholarships awarded.

[The Westland Insurance Award](#)

[The Millennial Christian Teacher-Education Award](#)

[Field and Marten Associates Bursary](#)

[Calvary Christian Church Integrity Award](#)

[The Kane, Shannon, Weiler LLP Award](#)

[The Encouragement Award](#)

[The Surrey Christian School Scholarship Fund \(Service, Scholar, Leadership, Encouragement and Environmental Studies\)](#)

[The Luke VanHarmelen Award](#)

Individual Help

Teachers are available to provide individual help with students who are experiencing difficulties. Students should initiate contact for assistance as soon as difficulties occur. Do not wait until the day before a major test.

French Immersion Students

If a student comes to Surrey Christian School from a French Immersion school, the French department will try to assess the course level that student could be placed in. The student may be asked to write the exam of the previous year for further assessment.

Crew and Assemblies/Chapels

Each student is assigned to a Crew consisting of approximately 14-17 students and a staff member. Our goal is to get to know one another and support each other in personal, spiritual, and academic growth. We may have discussions, planning sessions, eat and/or play together, or participate in service projects and activities, all working towards building and strengthening community.

Assemblies/chapels are held bi-weekly for the purpose of communal worship and spiritual nurture, as well as for educational experiences and the promotion of positive school spirit. Participants include students, teachers and outside groups.

Extra-Curricular Activities

Surrey Christian School has many opportunities for students to get involved in a variety of non-academic activities: sports (both intramural and extramural), drama, service projects, student council, and the Fine Art Festival are all important experiences for secondary school students. As a school, we recognize the benefits of these kinds of events, but also realize that what goes on in the classroom is the primary task of the student. The following guidelines are used to monitor extracurricular involvement.

- A student must be in good academic standing.
- A student must show self-motivation in having assignments completed on time.
- A student must show to be trustworthy and mindful that his/her actions affect other people and the entire school.

An inability to meet these standards before or during an activity may result in an interruption from the extracurricular activity.

Beyond the Restorative Framework for Grades 8-12

There may be times when our students choose not to acknowledge responsibility for their actions. For situations like these, it is important to have a process in place to repair the harm done to the community. The process gives the authority to the administration or teacher to make decisions without the input of those involved in the situation. The intent will again be to search for ways to repair the harm, but the course of action is determined by an authority at SCS.

The staff at the school may use the following steps:

- 1) Verbal warning
- 2) Detention
 - a) Lunch hour detentions are given for misbehaviour, coming late to class two times, and for two incomplete homework assignments.
 - b) Generally, detentions are served as directed by the teacher on the day that they are received, from 3:05 to 4:15 pm. Skipping a detention will be considered skipping a class. Detentions take priority over after school jobs, extracurricular activities and appointments.
- 3) Discipline Notice
 - a) Will be written for all academic and behavioural infractions as per the rules and regulations of the SCS community. For all discipline notices, parents will receive a copy of the letter as well as a phone call home.
 - b) A student can receive a maximum of four discipline notices, after which time s/he will be suspended for the remainder of the day on which the offence occurs as well as the following day. Parents/Guardians will be contacted before a student is sent home. Prior to re-admission, the principal/assistant principal/designate will meet with the student and parents/guardians.
- 4) Disciplinary Contract

Secondary Campus

- a) In an appropriate circumstance, a teacher may initiate a disciplinary contract and forward a copy to the office. Parents and students will be asked to read, sign, and return the contract to the office. All disciplinary contracts will be retained in that student's file.
- 5) Suspension
- a) Suspension is imposed when a student has committed an infraction as per school rules and regulations.
 - b) The school reserves the right to suspend a student pending an investigation or hearing with respect to an infraction where it is in the best interest of the school to do so. The school is responsible to provide a safe and secure learning environment.
 - c) Before a suspension occurs, a student will have an opportunity to speak to the principal or assistant principal about the incident.
 - d) Suspension is defined as the removal of a student from the campus.
 - e) While suspended, a student is prohibited from being on the school premises. The student may not attend class, may not participate in extra-curricular activities, and may not be on school property during school hours. Students may only come to the school (i.e. after school hours) with the permission of the principal/assistant principal to pick up homework.
 - f) The school must contact parent/guardian by phone or letter as soon as possible. If the parent cannot be contacted, the student will be placed on an in-school suspension until the parent/guardian is contacted. For an in-school suspension, the student will be asked to work in the office for the given day. S/he will be given different scheduled breaks from the regular school schedule.
 - g) A written notice will be issued clearly stating the reason for the suspension as well as the details of the suspension (i.e. date and time of contact with parents/guardian, date and time of meeting, and when the student is to return to classes).
 - h) A suspension may be imposed for one or more school days for each separate infraction.
 - i) The principal or designee has the final authority regarding a decision to suspend.
 - j) During the period of suspension, it is the responsibility of the parents/guardian to provide the appropriate supervision for the student.
 - k) Prior to re-admission, the principal/assistant principal will meet with the student and the parent/guardian.
 - l) Students returning to school from a suspension may be subject to being placed on probation.
 - m) When appropriate, an in-school suspension may be given. An in-school suspension refers to the student doing schoolwork for the entire school day in the office. The student's work will be supervised, and appropriate breaks will be given.
 - n) A student is responsible for all assignments, projects, quizzes, tests, etc., and will receive credit for the completed work. A student may ask a friend to deliver homework, check the teacher's assignment's on MySchool, or arrange to see a teacher before 8:30 am and after 3:00 pm. A student must adhere to all due dates.
- 6) Probation
- a) Is imposed for appropriate circumstances.
 - b) When a student has exhausted other disciplinary procedures, and/or when the status of the student is in question.
 - c) May be connected to a lengthy suspension, or repeated misbehaviour.
 - d) If a student repeats the same violation or commits another serious infraction while on probation, s/he will be subject to suspension or expulsion.
 - e) Is given by the principal/assistant principal.
 - f) Types of Probation

- i) Two Discipline Notices in Sixty Days – If a student receives two discipline notices within sixty calendar days, s/he will be expelled.
 - ii) One Discipline Notice – If a student receives one discipline notice in the remainder of the school year, s/he will be expelled. Depending on the seriousness of the infraction, a student may be placed on probation for the particular school year, and/or the remainder of the student’s time at SCS (i.e. more than one year).
- 7) Expulsion
 - a) In certain circumstances the principal or designated representative, in collaboration with assistant principals, may decide to expel a student due to:
 - i) Repeated or escalating behaviour that significantly disrupts learning and/or compromises the well-being and safety of students/staff.
 - ii) A single event or behaviour by a student that violates the law or that poses a threat to the well-being and safety of students/staff.
 - b) Before an expulsion occurs, a student will have an opportunity to speak to the principal/assistant principal about the incident.
 - c) Before a decision is made to expel a student, the student and the parents/guardians will be informed about the matter. They are entitled to know the case against the student and should be given an opportunity to respond to all information which might influence the decision prior to the decision being made.
 - d) While waiting for a decision to be made, the student will be suspended indefinitely.
 - e) A decision will be made as soon as practical.
 - f) The principal or designee will communicate the decision verbally and in writing.
 - g) Students and/or parents/guardians may appeal a decision for expulsion. Please refer to the Appeal Policy for further details.
 - h) Re-admission of a student into a new school year after an expulsion will be at the principal’s discretion.
- 8) Miscellaneous
 - a) Appropriate discipline may depend on prior incidents.
 - b) The principal/assistant principal has the authority to search lockers.
 - c) If more than one student is involved in a discipline situation, each student shall be dealt with individually.
 - d) The school has the authority to investigate infractions and determine consequences for students who refuse to comply with the school policies and regulations.

Procedural Options

- 1) Conflict Resolution Procedure: See [Dispute Resolution Policy](#)
- 2) Appeals: See [Discipline Appeal Policy](#)

Student Conduct

A list of behaviours that harm a community can be long, and the guidelines listed below will not attempt to capture all of them. These guidelines outline our hope for living together in community at SCS.

Homework Assignments

Teachers keep records of missed assignments and incomplete homework. The first time this occurs in a term, a student receives a warning. The second time that homework is incomplete; the student is required to have a lunch detention. For three or more missed homework assignments, a student will receive an after-school detention and discipline notice.

Secondary Campus

Attendance and Late Arrivals

We believe that a vibrant classroom community helps us achieve our vision of becoming *fully alive in God's story*, and regular attendance is an integral part of achieving that vision.

We value the presence of all our students and recognize that being fully present with each other in our learning spaces is an important aspect of *educating for wholeness*.

We understand that the learning that takes place in-person cannot be replicated in any other way, and that our BC curriculum emphasizes experiential, hands-on learning. Therefore, absences for any reason, negatively impact the educational experience for all students and it is our hope that students are present in class as much as possible.

Absences:

If a student does have to miss a class, please be aware of the following:

- 1) **The parent/guardian** is responsible to inform the school of the absence. This can be done by phoning or emailing the front office. For sickness or unforeseen absences, the school should be notified no later than 9:00 am that day. For pre-planned absences such as appointments, please inform the school well in advance. Please use discernment when it comes to 'excusing' a student from school. For example, we ask that families do their best to book appointments outside of school hours and discourage family trips that result in missed classes.
- 2) **The student** is responsible to contact their teacher(s) via email to explain their absence and to inquire as to whether there is anything they can do to continue their learning at home. This will help ensure a smooth transition back into the classroom for students who are absent for an extended period of time. The parent/guardian is also responsible for supporting their child in this communication process.
- 3) **The Teacher** is responsible to do their best to assist the student in transitioning back to class and to provide opportunities to make up work where reasonable and possible.
*Please note that there will be instances where the classroom experience cannot be replicated, and/or the nature of what was missed cannot be reasonably replicated or repeated without jeopardizing the integrity of the learning in the classroom. In these cases, it is likely that the student's grade may suffer because of the absence(s).
- 4) All absences will be followed up using our **restorative framework**, first asking the question, 'What happened?' to determine the nature of the absence. The next step will vary based on the response regarding the student's absence (i.e., a student missed class because of an appointment that everyone was aware of in advance vs. a student who slept in or 'skipped' the class). In all circumstances, the goal will be to repair any harm that was caused by the student's absence, and to provide the accountability and support needed to bring that student back to being fully present with the class. In cases of repeated absences, or absences that are 'unexcused,' we will partner with the family to take whatever steps are necessary.
***Please note that if a student is present for less than 60% of their classes, they may not get credit for the course.**
- 5) An extended absence must be cleared by the school's administrative team as well as the course teachers two weeks prior to the requested leave date.

Lates:

If a student is late to school in the morning for any reason, they are asked to go to the office to sign in and

receive a late slip, which they are to give to their teacher when they arrive first period. If they are late for any other class, consequences and accountabilities will arise as established by the classroom teacher. Multiple 'lates' will result in a discipline notice. If there is a chronic issue with arriving on time, a larger meeting will be held involving parents.

Leaving during the school day:

If a student leaves school during the day for any reason, it is important that they communicate with their teacher(s) and sign out at the office and give the reason for why they are leaving. If a student becomes sick during the day, they should notify the office so that they can stay in the first aid room until they are picked up.

Skipping Class

We place a high value on being in class. Students will serve an afterschool detention for the first skipped class. If there is a second offence, a conference with the parents may be required before the student returns to school.

Harassment (bullying)

Harassment refers to behaviours, gestures, comments, or displayed materials of a sexual, racial, gender-based, religious or personal nature that create an intimidating, hostile, or offensive educational learning environment. The issue of sexual harassment, more particularly, refers to any unwelcome conduct of a sexual nature that detrimentally affects the learning environment or leads to adverse consequences for the person being harassed. Claiming that an action was unintentional is no excuse, either legally or in our school setting. Harassment is discriminatory and disrupts the environment of mutual respect, cooperation and trust, which is crucial for ensuring a healthy and productive school community. All students and school employees are expected to conduct themselves with respect for the dignity of others. In accordance with the harassment reporting policy, if a student has concerns about the nature of any (physical) contact (or conduct) by an adult employed by the school, fellow student, or by a member of the public, the student should immediately report this to the principal, assistant principal, or school counselor. Students are encouraged to report any conduct or contact that makes them feel uncomfortable, is bothersome, or is contrary to a stable learning environment. Formal disciplinary action may include but are not limited to suspension or expulsion. A record of offences will be kept. SELF-QUESTIONING: If you ever wonder whether your behaviour or comments are appropriate, consider these questions:

- 1) How would you feel if the behaviour were directed at you, a family member, or a close friend?
- 2) What would someone you respect think if they witnessed your behaviour?

Cheating & Plagiarism

Plagiarism is the act of passing off as one's own the writings or ideas of another. We are called to be honest and people of integrity. Producing work that is not your own and/or not giving appropriate credit (i.e. citing) is a serious offence. Consequences are meant for all classes in which cheating and plagiarism occurs. For all grades, cheating on tests and assignments will result in a zero and a discipline notice.

- 1) Grade 8 – redo for credit, and a phone call home
- 2) Grade 9 – redo for credit, and a phone call home
 - a) 2nd Offence – receive '0' and discipline notice
 - b) 3rd Offence – receive '0' discipline notice and one day in-school suspension
- 3) Grade 10 – receive '0', redo for maximum 50% credit

- a) 2nd Offence – receive ‘0’ and discipline notice
- b) 3rd Offence – receive ‘0’ discipline notice, one day in school suspension.
- 4) Grade 11 and 12 – receive ‘0’, discipline notice
 - a) 2nd Offense – receive ‘0’ discipline notice, one day in – school suspension
 - b) 3rd Offense – receive ‘0’ discipline notice, suspended

Dress Code

- 1) At SCS, we expect all staff and students to dress in a way that is appropriate for school activities, and with the understanding that our individual choice of dress contributes towards the flourishing of each person in our community. Since the word “appropriate” can be subjective, the following are some guidelines to help inform how to dress appropriately at school.
 - a) Staff and students need to consider the words and graphics on their clothing when dressing for school. For example, drug/alcohol, sexually explicit/suggestive designs, profanity, and discriminating and/or offensive language are not appropriate.
 - b) Clothing for all students should cover the chest and bottom.
- 2) If a student or staff member is wearing something inappropriate, they will be engaged in a conversation and expected to reconsider their choice. Everyone plays a role in building our community through how they choose to dress.

Visitors

All visitors, including former students, must identify themselves at the office and require the permission of the principal/assistant principal. Visitors will be given a “visitor’s pass” and must remain with his/her host throughout the visit. Notice should be given at least one day before the visitor comes to the school.

Vandalism

In addition to a punishment when students are involved in vandalism, they will have to pay the cost of repairs or replacement arising from their actions.

School Property (Halls)

Halls are only for walking, not running, skateboarding or rollerblading. Practice consideration in the halls.

Leaving the Campus

- 1) Students in Grades 8 and 9 are not permitted off the school property during break and lunch break. All students are expected to respect neighbouring property and traffic.
- 2) Upon review, off property privileges may be granted to Grade 9 students with parent permission.

Smoking and Vaping

The SCS community is committed to encouraging a smoke-free lifestyle for students and staff. Therefore, smoking and vaping is not permitted during school hours or at any school related function, on or off campus. Any student caught smoking or vaping may be required to pay a \$20 donation to the BC Lung Association or the BC Cancer Agency for the first offence, a \$40 donation for the second offence, serve a one-day suspension for the third offence, and a three-day suspension for the fourth offence. Each occurrence will also include a discipline notice as well as a phone call home.

Secondary Campus

Theft

Theft may result in a suspension of up to one week. A second offence may result in a three-week suspension and probationary status.

Drugs and Alcohol

Students under the influence of, or in the possession of alcohol or drugs while under the school's supervision, including all transportation, will be suspended on the first offence for up to three weeks and will receive a probationary status for one calendar year. A second offence will automatically result in expulsion, whether that offence is in the same school year or not. Possession of drugs for the purpose of trafficking may result in expulsion from school.

Fighting

Fighting will result in a suspension of up to one week. A second offence may result in a three-week suspension and probationary status.

Weapons

Students bringing weapons, or any imitation thereof, to school may be suspended for up to three weeks, expelled, and/or may receive probationary status for one calendar year. Students who are aware that weapons are at school should notify the staff immediately to ensure the safety of the students and staff.

Breaking and Entering

Criminal charges will be brought against students who break and enter the school building whether part of a prank or as an act of theft.

Internet/Network Violations

- 1) Each student using the network must agree to the following statements:
 - a) I understand the school's values and I will uphold these values as I communicate with others by means of the school's computers.
 - b) I will not attempt to log on with someone else's password or gain unauthorized access to resources on the internet. I will refrain from hacking into private files or tampering with software or hardware that belongs to the school or another person.
 - c) I will respect software or programs that are copyrighted; I will respect the ownership of others and will not copy or transfer anything without their permission.
 - d) I will not compose or transmit anything that may disrupt the working of the computers. I will follow all the precautions to prevent viruses from being introduced onto the school's computers.
 - e) I will not share my password, nor log on for someone else. I will not print for those who have used their print page quota.
 - f) I will use appropriate language in all communications. I will not use abusive, threatening or obscene language.
 - g) I will not access, store or print pornographic, racist, or other offensive materials.
 - h) I will accept responsibility for all accesses under my password.
 - i) I will not use the school's computers and access to the internet for personal gain, or to purchase goods and services.
 - j) I will not give out personal information online, such as phone numbers, address, credit card information or any financial information. I will agree not to meet anyone offline.

- k) I agree to be courteous by quitting applications and logging off promptly. If I am doing non-school work, I will promptly give up the computer to someone who needs access to do school work. I will regularly delete unnecessary files and will not store games and other large files on the school's hard drives.
 - l) I understand that the school will monitor my use of the internet and has the right to delete files in my account. I understand that using the school's computers is a privilege, which may be taken away from me if I break any of the above guidelines. Breach of rules may result in further discipline.
 - m) I will care for my personal computer and ensure that it is ready for classroom use daily.
- 2) Violations of these guidelines will automatically result in losing the privilege of using the school's internet and network services.
 - 3) Depending on the violation, further disciplinary action may be taken.
 - 4) Any conflict (in-person or online) that occurs between SCS students outside of school hours or at non-SCS sponsored activities are primarily the responsibility of the families to resolve. SCS will seek ways to support families where appropriate and will respond to the impacts of any such conflicts at SCS as they arise.

Fire

- 1) Students lighting fires of any size will be suspended for up to one week and must meet with the Surrey Fire Department Education Officer. A second occurrence will result in expulsion.
- 2) Students in possession of firecrackers/fireworks at school will be suspended for one day.

Books

If a student loses or damages a textbook, the school requires replacement or payment of repair costs.

Phones/Personal Devices

- 1) Students are permitted to bring technological devices to school under certain guidelines. They may be used before school, during breaks, during lunch, and after school only, but not during class time. If a student's device appears in the classroom, or if it makes a sound, the phone may be taken away for that class, and potentially for the rest of the day.

School Functions

- 1) All school rules and consequences associated with those rules, will apply to all school functions, including school sponsored extracurricular activities, and/or those activities not held on school property.
- 2) Students desiring to bring guests must complete a GUEST PASS REQUEST FORM and receive approval from the event sponsor and/or the assistant principal.

Miscellaneous

- 1) In cases in which specific school rules do not apply, but behaviour runs counter to what is acceptable, a student may be asked to meet with the principal or assistant principal.
- 2) Where required, the school will notify the police.
