WELCOME

Children are natural learners and creation enjoyers of God’s world. Our mission at Surrey Christian School Early Learning Centre is to offer safe, diverse, experiential learning opportunities to recognize the full potential and individuality of each child. We believe each child is created in the image of God and has an important and unique role to play in sharing His redeeming love with the world around them.

We want to thank you for partnering with us, for entrusting your child to us as they begin their educational journey and for allowing us to speak truth and love into your child’s life. Our promise to all our parents is to educate for wholeness by engaging God’s world in the servant way of Jesus. Our hope is that your child begins to unpack all the gifts that make them completely unique as they become fully alive in God’s story at Surrey Christian School Early Learning Centre.

YOUR CHILD’S GROWTH

How do we as early childhood educators facilitate your child’s growth throughout the year?

- Giving every child unconditional love and respect.
- Nurturing, celebrating and understanding children’s differences and uniqueness.
- Creating a safe place and providing limits that are reasonable.

- Offering opportunities to succeed, be responsible, build confidence and self esteem.
- Offering guidance while children work to problem-solve.
- Providing opportunities to develop children’s interests.

Surrey Christian School Early Learning programs focus on exploration, discovery and creativity. Social development is a vital part of your child’s emotional growth and our centre is a gentle introduction and transition into this social playground. We foster

social/emotional development through free play time, discussion at group time, drama, show and tell and special helper. Our bible, art, math, science, large motor and group time curriculum is based on teacher and child-led themes throughout the year, with daily opportunities for the children to

express themselves and gain confidence and self esteem. Children will be rooted in the knowledge that God loves them and learn that they are called to show and share that love with everyone else.

ABOUT OUR STAFF

The staff/child ratio is in line with regulations from the Community Care Facilities Licensing Act through Fraser Health Authority. The teachers are licensed to practice in BC as early childhood educators, assistants or responsible adults and have up to date first aid certification. The educators are required to submit a clean criminal record check every five years. Throughout the year we may have students, volunteers and/or support teachers help in our centres. You will be informed in this event.

OPEN HOUSE

During the last week of August, we offer an open house session for all families starting in September to come to our centre to meet the teachers. Detailed information will be emailed to you including a supply list, teachers names, etc. in mid August.

SCREEN POLICY

We are dedicated to providing stimulating, open-ended learning environments during your child's time at our centre. Therefore, screen time will be very limited within our program. Children may very occasionally watch a short educational video about the theme we are discussing or listen to a song we are learning. During Christmas/Spring and Summer break we may seek your permission to show a short G-rated movie but will not show more than twice monthly.

ACTIVE PLAY POLICY

We promote regular physical activity. We are dedicated to spending time outdoors every day unless serious weather does not permit and/or it's unsafe. Children enrolled in our programs will spend a minimum of 1 to 1.5 hours in active play daily. If we are unable to go outside, we will be participating in active play in our gymnasiums or other active environments.

TOILETING POLICY

Children need to be confidently toilet trained to attend our childcare programs with the following expectations:

- They can independently complete the bathroom routine: pull pants down, sit on the toilet, wipe, pull pants up, flush
- Recognize and can verbalize that they need to use the toilet
- Have the ability to hold their bladder until we can walk to the bathroom

Accidents happen and our teachers will assist when needed, yet please ensure your child is confident in their toileting skills.

Should your child have a medical exemption or a care plan with us, they would be exempt from the above requirements.

NAPPING/QUIET TIME POLICY

All children must participate in a naptime/rest period. We will have free play available after this time. Children are not required to sleep but they are required to stay on their mats. After 30 minutes those children who are not asleep will be given quiet activities or will be taken outside to play. Nap/quiet time will vary depending on the needs of individual children in attendance at the time, as well as the particular classroom.

Why is Nap/Quiet Time Necessary?

Daily naps and or rest/quiet time are essential for children under the age of 5 years. It is often believed that a child who doesn't nap will sleep better during the night. This may not be in the

best interest of the child. Many times, this can cause negative behavior when a child is overly tired. Children can become stressed, anxious, irritable, and even overactive which can then disrupt the bedtime routine. Nap time is very beneficial for children. Having sufficient rest can improve a child's attention span, concentration, and creative thinking. Sleep helps children fight off illness and improves their ability to have positive interactions with others. Our goal is to ensure your child has a positive experience at daycare. Children are busy learning and working hard at daycare, they are often more tired than we realize.

SEPARATION

We would like the first weeks to be an especially positive and happy experience for each child. Separation can be difficult for some children and parents. We ask that parents:

- Visit the centre with your child in advance (Open House, orientation and/or other pre-arranged time) to meet the teachers and help your child get comfortable with their surroundings
- Discuss with your child your intention to leave
- Reassure the child of your intention to return
- Make eye contact and say goodbye

GRADUAL ENTRY

- Junior Kindergarten will begin with a two week gradual entry program, with hours from 8:45 am – 12:00 pm. If this is your child's first group experience away from you, the teacher will help assess his/her gradual entry needs. If your child is having difficulty adjusting, the teacher will help decide how long your child will stay each day.
- Please do not discuss your child's concerns with a teacher when your child is within hearing range.

ARRIVAL AND PICK UP

- Children enrolled in our full day programs must arrive no later than 10:00 am. If there are extenuating circumstances and the child needs to arrive later than 10:00 am, the centre must be notified in advance and an arrival time must be agreed upon between teacher and parent/guardian.
- Children enrolled in our Early Learning programs are asked to have their child arrive at the scheduled drop off time of the program as we follow a schedule. We ask that parents adhere to drop off and pick up times in all programs.
- Parents or other authorized adult must bring in and pick up their child from the centre and must contact the teacher upon entry. Staff will sign the children in and out of the program.

- Children will only be allowed to leave the facility with parents, guardians or persons specified on the registration form or a person who has written or verbal permission from a parent. The centre will assist in making alternate arrangements if a parent/guardian appears “unable” to safely deliver their child home. In the event there is a concern for the safety of the child due to the adult’s ability to drive safely, the police will be notified.
- If the parent does not arrive to pick up the child, the teacher will:
 - contact both parents work and home numbers and all emergency contacts
 - keep trying for two hours at which time Ministry of Children and Family (MCF) will be contacted
- If an unauthorized person attempts to pick up the child, the teacher will:
 - ask the person to remain outside the classroom until the parent is contacted for consent
 - check the person’s ID before allowing the child to be released
- If the unauthorized person becomes confrontational to the teacher’s request, the teacher will:
 - notify the manager and ask him/her to talk with the person
 - attend to the children in her care including the child in question
- If the unauthorized person forcefully removes the child, the teacher will:
 - write down the license plate number of the vehicle in question and call the police and MCFD

PARENTAL ACCESS

- A notice will be posted on the door if the children are not in the classroom.
- The centre must have all copies of custody agreements, restraining orders or court orders denying a parent access.
- If a parent informs the centre that the other parent no longer has access to the child, the written documents must be submitted before access is denied.
- If a prohibited parent/person arrives to pick up the child or visit, the police will be notified immediately and asked to intervene. The other parent will be contacted and asked to pick up his/her child.

DEVELOPMENTAL SUPPORTS

If the child’s teacher feels that the child would benefit from additional services, they will notify the parents to make recommendations. This may be a speech and language pathologist,

therapist, occupational or physiotherapist or a developmental assessment. We believe that the relationship with families is a vital component and that if we all work together as a team, we can provide the best for each child and their individual needs. Each child is unique, learning and developing at different times and stages. Sometimes we may need to include another professional in the support of a child's development, setting the child up for success.

LATE FEES

Parents are required to pick up their children promptly at the end of their session/day. One late occurrence will be a warning. The second and consecutive late occurrences (if any) will result in a flat late fee charge of \$10.00 for the first five minutes and \$1 per minute thereafter. This fee must be paid to the teacher before the child returns to the program.

DROP IN POLICY

In our **Daycare Program**, sometimes we have space to provide occasional care for children who are registered but not regularly enrolled on a particular day or time. Space is not guaranteed and is first come first served. We require 24 hours notice, if possible, for drop-ins. Please speak with a teacher face-to-face, via email or text the centre. Rates: \$60 for the day. Please note, that there is no half-day rate. You may use drop-in once per week. Payment will be processed by our finance department from your bank account on file. If you need more childcare on a regular basis, you will need to commit to your days if there is space and sign a financial commitment form for regular monthly withdrawals.

AFFORDABLE CHILDCARE SUBSIDY PROGRAM

Our centre accepts families who qualify for subsidy. Parents can get more information at: <https://www2.gov.bc.ca/gov/content/family-social-supports/caring-for-young-children/child-care-funding/child-care-benefit/apply>

The deadline for applying for subsidy is by June 30 for the following school year or upon registration if able to enroll your child immediately. First month and subsequent monthly tuition must be paid in full by parents until subsidy has been approved and processed. Parents are required to top up any childcare payments that are not covered by subsidy.

WITHDRAWAL

If during the course of the school year you intend to withdraw your child, one month's notice at month's end is required, or you must pay one month tuition in lieu of notice. Please email the Director of Early Learning to give notice of withdrawal: ifritsch@surreychristian.com.

CHANGE FEE

Children confirmed in our Early Learning program will be registered for the program/days selected on the registration form at time of submittal. Changes to registration for the 2024/2025 school year can be made up until July 31, 2024. Any changes to a child's registration thereafter (i.e., number of days/hours attending) will be subject to a \$75 change fee. One month's notice at month's end is required for the change to be processed.

ATTENDANCE

- There are no refunds or fee reductions for statutory holidays, sick days, snow day closures, power outages, or for family holidays which may be taken throughout the year.
- Please email the manager or text the centre if your child will be absent and provide the reason for their absence.
- You will be emailed as soon as possible in the event of a closure (bad weather, power outage, emergency).

HEALTH AND ILLNESS

Our centre is committed to providing a safe and healthy place for each child. We continue to provide increased opportunities for handwashing and increased cleaning, including the use of a fogging machine.

Parents must check their children daily for symptoms of communicable illnesses such as cold, flu, COVID-19, pink eye, or gastrointestinal illness. Children should stay home until they are well enough to participate in regular activities. Please carefully note the following:

- Parents must email their teacher in the case of illness. Please let the teacher know what your child is sick with.
- Children must be kept home if not able to participate in indoor or outdoor play.
- If a child has been exposed to any contagious disease (ex. chickenpox, mumps, measles, hand/foot/mouth etc. or a parasite like lice) the centre must be notified. A child may only return to the centre when free of symptoms for 24 hours.
- Children must be fever free and have stopped vomiting/diarrhea for a 24-hour period before returning to the centre.
- If your child becomes ill at the centre:
 - A parent or emergency number will be contacted, and child will remain under observation and kept comfortable.
 - If no contact person can be reached, the child will remain under observation and kept comfortable until parents arrive.

UPDATING INFORMATION IN YOUR CHILD'S FILE

Information about your child needs to be kept up to date at all times. Please inform staff of any changes of information such as immunization records, **change of address/cell number/email**, changes in custody or authorized pick up persons etc. We will transfer all of the information you provide into your child's file.

LIFE THREATENING CONDITIONS

If your child has a life-threatening condition, this needs to be disclosed on the registration form and brought to the attention of staff. This includes, but is not limited to diabetes, anaphylaxis, acute asthma, respiratory conditions, and seizures.

You will be required to fill out a form, write a care plan and include any medication which will be kept well out of reach of children. A child will not be permitted to attend the program without their medication (i.e., Epi-pen, inhaler).

MEDICATIONS

The centre keeps basic first aid supplies on site. No medication will be administered by any staff member, prescription or over the counter, unless a "Permission to Give Medication" form has been completed. Medication will be kept out of reach of all children. Verbal consent will not be accepted. Children taking prescription medication orally may only return 24 hours **after** the start of the medication.

IMMUNIZATION

All children who attend our centre are recommended to have completed all the standard course of immunizations. According to Fraser Health regulations, each child is required to have their immunization status on file at the centre. Please submit a photocopy of your child's immunization schedule and/or a completed immunization status form. If you have chosen not to immunize your child, please indicate on the immunization status form.

GUIDING AND CARING

Children feel accepted and secure when they know what is expected of them. Each child will be encouraged and supported to develop positive relationships with peers and staff. Instilling a positive and a healthy sense of self-esteem, self-control and thinking of others is our goal. At times, guidance is needed to protect children from hurting themselves or others. We set limits for your children to not only show them we care, but to teach them safety and respect for themselves and others.

- **ACT Model**: Acknowledge the feeling, Communicate the limit, Target the alternatives.

- Redirection: Guiding the child into an acceptable activity when they are engaged in an unacceptable activity.
- Choices: Appropriate choices are given, and children are encouraged to choose for themselves.
- Logical and natural consequences: Children will be made aware of the results of their action.

There are also some harmful actions that are not permitted and will not be tolerated in the classroom:

- Shoving, hitting or shaking by a teacher or another child, or confinement or physical restraint by another child.
- Confinement or physical restraint by a teacher, except as authorized in a childcare's plan if the care plan includes instructions respecting behavioural guidance.
- Harsh, belittling or degrading treatment by a teacher or another child, whether verbal, emotional or physical, that could humiliate the child or undermine the child's self-respect.
- Spanking or any other form of corporal punishment.
- Separation, without supervision by a responsible adult, from other children.
- As a form of punishment, deprivation of meals, snacks, rest or necessary use of a toilet.

NOTE: Any unusual behaviour will be documented and parents will be notified if there are any concerns.

INJURY AND INCIDENT REPORTING

Teachers will document any injuries or behavioural concerns in a minor incident logbook. Any major incidents or concerns will be documented on a reportable incident form, which will be sent to our childcare licensing officer. In all circumstances, parents will be notified of the injury or incident.

REPORTABLE INCIDENT POLICY

We hope and pray that all children attending our centre are growing up in a secure and loving environment. However, should a situation arise in which a staff member has reasonable grounds to believe that a child is abused or neglected, that staff member is morally and legally obligated to file a report immediately with Child Protection Services. We will maintain a daily log (bound book) which will include a description of any applicable reportable incident that may occur at Surrey Christian School Early Learning Centre. If you should suspect abuse in the center then you are required by law to report it to the Fraser Health Authority (604-587-3936 weekdays, 604-527-4806 weeknights and weekends) within 24 hrs. If there is a case of abuse within the center, it will also be recorded and reported to Fraser Health Authority.

CONFLICT RESOLUTION

When a parent has a concern, grievance, or complaint it must first be directed to the teacher or parent involved in a manner of open dialogue with the intention of resolving the problem. If a resolution does not occur due to tension, lack of communication, etc., the director and manager will be notified, and both parties shall meet with the director and manager to restore a healthy situation. If a satisfactory resolution is still not made, the concern will be brought to the principal and superintendent.

If there are concerns with a child's behaviour or concerns with a parent's/guardian's behaviour, all efforts will be made to resolve these matters. Resolution steps will include meetings between parents/guardians and teachers. If all efforts are unsuccessful in obtaining a resolution, and should the class be deemed a poor fit for the child and/or their family, registration/enrollment may be revoked with no given notice. Such circumstances are a last resort for cases involving support needs, aggressive and/or abusive behaviour (by either child or parent/guardian). Surrey Christian School reserves the right to refuse admission without notice.

PARENT COMMUNICATION

- Throughout the year you will be receiving monthly newsletters and reminders **via email** to inform you of 'what's happening' in the centre. Paper calendars will be sent home.

- In our communication book, the teacher will record any pick-up/drop-off changes, days your child will be away, or any other info you would like the teacher to know about. The teacher will also record minor incidents such as bathroom accidents, scrapes/falls etc.
- Be sure to make the teacher aware of any events or problems that may affect your child's behavior, whether it be his/her health or just a matter of "getting up on the wrong side of the bed".
- When your child begins, you will receive an email invitation to join the Lillio app. We use this app as the main means of communication between staff and parents for day-to-day happenings.

PHOTOS

- Individual photos are taken in the fall, class photos in the new year.
- Throughout the year, photos will be taken of your children in the centre and shared on the web app, "Lillio". You will be invited to join at the beginning of the year, having access to pictures of what's happening in your child's class. If you do not wish to have your child photographed for this purpose, please let a teacher know. We ask that you do not share pictures on social media.

BOOK CLUB

Throughout the year your campus manager may send home a Scholastic Book Club order form. There is no obligation to purchase books and please keep in mind that not all books are suitable to family values. The centre benefits by receiving credits to select books/toys for the classroom. Please order and pay online.

CLOTHING

Children should wear comfortable play clothes (that can get dirty) to our programs. During cold or rainy weather, please send along coats with a hood, and boots/mittens. An extra pair of non-marking, clean, VELCRO shoes are required to be worn inside the centre. Sunscreen and a hat should be worn in warmer weather. Children should bring a small backpack or drawstring bag with an extra pair of clothing for unexpected accidents. Please also include an extra pair of mittens during cold weather. All personal belongings must be **labelled** with the child's name.

SHOW AND TELL

Please keep toys at home unless it is your child's show and tell day. If your campus has designated show and tell days, this will be your child's opportunity to bring ONE item from home and share with the class. Please no violent toys such as toy guns, etc.

BIRTHDAYS

Birthdays are special and exciting for each child. Children will receive a small gift from their teacher. Your child is welcome to bring in stickers, pencils, cupcakes etc. for classmates but this is optional. We will celebrate as close to their birthday as possible. Please check with a teacher if you are planning to bring in a treat. Please no large birthday cakes/pizzas etc. that are difficult to serve. Any treats that are brought in will be sent home with your child.

SNACKS/LUNCHES

Snacks/lunches are not provided. Snacks/lunches need to be precut and put in a reusable, labeled container. Please work together with your child to pack a nutritious snack/lunch. Water (no juice) should also be sent in a reusable, labeled bottle. We have a microwave to warm up lunches. Children will have access to their water bottles at all times. Please ensure that foods that are a choking hazard, such as grapes and hot dogs, are cut lengthwise. Please do not send baby carrots or popcorn.

* Please note: Our programs are **NUT FREE, PEANUT FREE** and **JUICE FREE**.

FIELD TRIPS

We will offer local field trips throughout the year in our programs.

Full time daycare program: A bus will be provided.

Families will be informed by way of email and information will be sent home well in advance of our field trips. A \$50 field trip fee will be collected upon the first month's deposit.

FIRE, EARTHQUAKE AND LOCKDOWN DRILLS/EVACUATION

Fire and evacuation maps are posted in the centre and practiced and recorded monthly. Earthquake and lockdown drills will be practiced once per year. All staff, volunteers and other adults will be familiar with emergency and evacuation drill procedures.

EARTHQUAKE KITS

The centre will provide each child with an earthquake kit. It will contain the following:

- a nut free granola bar, rice crackers, water, dried fruit, water

- various activities to keep children busy (books, coloring, small toys etc.)

You are invited to add a family picture and/or note. If your child has any allergies to the above items, please provide your own items in a labelled Ziploc bag.

DISASTER PLANNING

In the event of a major emergency:

- If we are unable to return to our building, we will go to our area of refuge at the corner of the school property. We will contact you regarding our circumstances and pick up procedures.
- No child will be dismissed from the centre unless a parent or caregiver or other previously designated adult comes for him/her.
- No child will be released from the center with another person, even a relative or babysitter, unless the centre has written permission to do so. With this in mind, please ensure that you have provided us with an up-to-date contact list.
- All parents, caregivers or designated parties who come for the child must sign for their release.
- Parents and alternate caregivers may not pick up child until all students and staff are accounted for and the teacher approves the release of students.
- Please do not call the centre. We must have all the lines open for emergency calls.
- Help us protect your child during a disaster, please be patient with the student release procedure.

CENTRE CLOSURES

Our programs are closed on all statutory holidays plus Easter Monday, Truth and Reconciliation Day, Christmas Eve and Boxing Day. Junior Kindergarten is also closed on school professional development days and during student-led conferences.

In the rare event that school is to be closed because of unsafe weather conditions or a power outage, please check your **email**, and the **school website** or **social media**. The administration aims to make the decision by 6:30 am.

*Note: It is not advised to Google “snow day Surrey Christian School” as that may bring up outdated and inaccurate posts from previous years.

Daycare Program: In addition to the above, daycare closures include the last 2 weeks leading up to Labour Day (for holidays, cleaning, maintenance and planning). We close early (3:00 pm) on New Year’s Eve. We are open during Spring break for our full day program, and on demand for the remainder of Christmas break. There will be a discount on tuition in August.

The daycare will also be closed on one or two staff professional development days. This will typically occur during the fall and will be communicated to you once we know the date. Please

note that dates are subject to change. All of our early childhood educators require a minimum of 40 hours of ongoing training over a 5 year period. We value our staff and are including them in this Christian Educators conference. This will support in fulfilling their training requirements. This in turn helps them to continue to be the best possible educators that they can be for your children.

We hope this handbook will help you and your child to adjust readily and happily at this important time in their life. We look forward to sharing many fun and meaningful experiences with you and your child.

Sincerely,

Ingrid Fritsch, Director, Early Learning Programs at SCS
