EDUCATING FOR WHOLENESS

Learning Support Teacher

Part-time (60%) starting December 2024

Posted on September 5, 2024

Salary Range: \$33,346 to \$57,596 per year

Surrey Christian School is a PreK-12 school of over 1,000 students located in Surrey, an ethnically diverse urban and suburban community just outside of Vancouver. Surrey Christian School is a growing community with a strong staff and faculty dedicated to student learning that inspires students to become fully alive in God's story. Our mission statement, "Educating for wholeness by engaging God's world in the servant way of Jesus," shapes everything we do. We strive to be a 'people of try' in our approach to pedagogical innovation and improving student learning.

As a non-denominational Christian school, our enrolled families represent over 170 different churches. The foundation of our Christian faith is grounded in the contemporary testimony, [Our World Belongs to God](#), and it is that distinct perspective that shapes our vision. Our confidence in our vision of God working in our world has inspired us to open our enrolment to families from other faiths. We encourage all applicants to view our website at www.surreychristian.com.

Our school is accepting applications for a **part-time Learning Support Teacher starting in December 2024**. Our Learning Support Services team is committed to empowering students to reach their potential as unique learners who bear the image of Christ. Through purposeful inclusion we encourage students to develop their gifts, become self-advocates, and gain independence as valued members of their communities.

The Learning Support Teacher is responsible for coordinating the development and supporting the implementation of Individualized Education for students with exceptionalities. They will also be responsible for leadership and supervision of Education Assistants, and an integral member of the Learning Support Services team.

The ideal candidate should:

- have British Columbia teacher certification Independent School certification, done coursework in Special Education, and have work experience with students with exceptionalities,
- be a great communicator and a great team player,
- and agree to sign our community standards document (available by request).
